Dear Parents & Staff,

The beginning of a new year gives all of us an opportunity to pause and look ahead with a fresh and reflective outlook. It is a time to renew our shared commitment to the principles that guide our institution and all those connected with it.

Every strong community rests on trust, respect, and cooperation. These principles are strengthened when they are evident in everyday actions and attitudes. While comfort and convenience may seem appealing, lasting strength is built when we choose what nurtures character, responsibility, and resilience. Over time, such decisions help individuals remain steady, even during periods of change.

We live in a world that is continually evolving. Adjusting to social, environmental, and professional surroundings calls for openness and a willingness to examine both personal and collective habits. Genuine progress emerges when we acknowledge the need for change and respond with understanding, balance, and shared responsibility.

As 2026 unfolds, the continued goodwill, adaptability, and collective effort within our school community will remain essential. Each effort, whether visible or quiet, contributes to the stability and forward momentum of the institution and all its stakeholders.

Thank you for being valued partners in this shared journey. I wish you and your families a year shaped by kindness, resilience, and thoughtful growth.

Best wishes for a happy and prosperous New Year 2026.

With gratitude and warm regards,

Br. Robert Fernandes
