Dear Parents and Students of Class 10,

As the academic year has now concluded, we invite students to fill out the Google Form indicating their preferred stream and subject combinations for Class XI. This exercise is meant to help the school understand aspirations and interests as we move into the next academic phase.

It is important to clarify that the preferences expressed are indicative and not guarantees. Stream and subject allocation will be a reflection of the student's overall academic performance in Class X and the consistent effort demonstrated throughout the year that has just ended. Since the year's work is complete, the outcomes will naturally mirror the seriousness and commitment shown during this period.

We request the support of parents in guiding students to make realistic and informed choices, while encouraging responsibility, perseverance, and self-discipline.

Click on the link to fill your response: <https://forms.gle/DYAGXTc7N8Kj2XyV9>

Please complete this task by 6:00 p.m. on 10th February 2026.

With every good wish,

Br. Robert Fernandes
