**Subject:** Fee Structure for Academic Session 2026–27

Dear Parents,

As you are aware, in accordance with the applicable court ruling, the fee structure for the academic session 2026–27 shall commence at the same level as that of the session 2025–26. A change may only be observed for students progressing from Class 8 to 9, Class 9 to 10, Class 10 to 11, and Class 11 to 12, as the structure of these classes differs, but there is no change in the structure between the 2025–26 and 2026–27 academic sessions.

**However, parents are kindly informed that this is subject to revision or increase in fees with effect from the commencement of the academic year 2026-27 based on the outcome of the proceedings pending before the Hon'ble Court. The same shall be binding and recoverable accordingly.**

We would also like to share that the rising operational costs and the need to provide salaries to staff in accordance with prescribed norms and regulatory expectations make it increasingly challenging to extend additional benefits without appropriate fee adjustments. Despite these constraints, the school remains committed to maintaining high standards of quality and holistic education for all students.

We value our partnership with parents and believe that together we can continue to provide a nurturing and enriching learning environment for our children. Your continued support and understanding are sincerely appreciated.

Kind regards,

Br. Robert Fernandes
