MESSAGE FROM PRESIDENT

Today, as a key person of the school, I really find it Paramounting importance to hold and deliver my faith and believeve for my children and my school.

Since the foundation of the school many achievers and successors have laid their efforts to upbring the scenarios of education. Same as they, I put forward my steps not only to upgrade but also to elevate the Standard and Excellency of this institute. With the grace of 'GOD' my whole team in various field are concerned and consider important, to make my school reach at the pinnacles height.

I always wish to get interacted with everyone; from lower to higher sections and get their potentialities put in action. I always emphasize on a structured and good balancing between learning and leisure. A good direction, a clear conscience and reasonable success make my school environment joyful.

Considering the infrastructures, needs and influencing factors, I along with my co-supporters try to bring the modifications, so as to once again pick up the heights and make everything soft going.

Our moral visions and insight always keep me going and developing every child through the system we manage. I whole heartedly always strengthen and firm the belief for which I am positioned and inculcate my best with efforts to get the best, out of better.

Mr. Suresh P. Nair
President - Kerala Kala Samithi

MESSAGE FROM PRINCIPAL

"Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations"

Education is the manifestation of love and my most cherished possession. Education drives away ignorance and through illumination it emboldens the human to a righteous thought and action. It empowers the human and enlarges the horizon of their mind. It energizes a society and enables the human to earn their living with respect and praise. Our vision is to create well educated critical thinkers, problem anticipators and solvers, responsible and compassionate global citizens by preparing them to achieve the higher standards in education as well as their lives.

In order to accomplish our vision, we are prepared to take as much effort as possible for the betterment of the academic scenario in India. We believe that education is an effective medium of social transformation. We get encouragement, looking at bright and successful careers of our thousands of students, which subsequently benefit the society. We feel proud that we are part of such an excellent institute, which is shaping modern India.

Since its inception, Samithi Group Of School has endeavored to transcend learning beyond boundaries. We are devoted to set benchmarks in nurturing children to grow into strong, matured, kind and intelligent adults, who are original in their ideas and decisive in their actions.

Mahatma Gandhi rightly said "The best way to find yourself is to lose yourself in the service of others." Firmly believing in our core values of Courage, Compassion, Equality and Integrity we at SEM aim to nurture our students so that they are well equipped to face the competitive society with value-based knowledge and skills that have contributed towards the growth and vision in building global citizens and a conscientious humanity.

Keeping in mind that to teach is to touch a life forever, we believe in holistic education that encompasses academics, co-curricular activities, sports education and life-skills learning. The campus, sports and academic facilities all bear testimony to this belief. As we venture ahead and spread our wings in this spectacular region of value-based education our endeavor is to strike a balance between state-of-the-art- infrastructure and a robust curriculum that opens the door to global platforms for our peace loving and problem-solving students. Activities and events related to value education, environment, health education, games and sports, visual and performing arts, culture and heritage, personality development are effectively woven into the main fabric of school curriculum.

Also, parents are the primary educators of children, but as the child starts schooling, we must devote ourselves to shoulder the responsibility together. As Principal, I would like to personally welcome you to our SEM family. We hope that your child's journey with us will surely help in yielding fruitful results and envisage our shared dreams and to dream anew.

"And now let us welcome A NEW WORLD OF LEARNING, full of things that never were." The moment is TODAY...

EDITOR'S TALK

"One book, one pen. One child and one teacher can change the world."

MALALA YOUSAFZAI

In my journey of being Editor of MINDORA. I have seen the real enthusiasm of the kids to put out for this newsletter. I am always awestruck by seeing their fresh, unadulterated and unbiased perspectives about things. I am very much privileged to witness this all and in the process be a mentor for them.

'MINDORA' covers the later part of the academic year, which includes academics, festivals, celebrations, activities and achievements. Student's and teacher's contribution for it is immense; articles, pictures, art corner, activities of lab, subject enrichment, clubs etc. Academics is one part of life's story but having and cultivating these hobbies and interests are equally important.

Lastly, always remember that "there are no limits to what you can accomplish, except the limits you place on your own thinking".

Mr. Jay Pillai
Primary Educator

OUR VISION AND OUR MISSION

Our vision is to create well educated critical thinkers, problem anticipators and solvers, responsible and compassionate global citizens by preparing them to achieve the highest standards in education as well as their lives.

1. Provide an interactive learning environment to nature, provide curiosity, and develop self-awareness.
2. Enlighten independent young thinkers with a passion-centered learning to thrive, inspiring each student to serve humanity's is our motive forever.
3. For life enriching educational culture, for hidden talents to achieve excellence.

Is to provide a learning environment, self sustained with open minded and self directed learners which will enrich our society.

For the holistic development of our children a joyful progressive learning environment is followed here. Our students are the harbingers of change. Hence the school follows teaching pedagogy blended with technology, art, hands-on, sports and so on. The pedagogies are articulated to influence the learners with ever lasting impact. The classroom teaching is designed for trans-disciplinary learning, virtual learning, Art-integration with core subject, experiential learning. These multiple strategies develop an atmosphere of collaborative learning to effectively achieve the learning objectives.

ReValues arise out of what we believe to be important about people, society and about learning and knowledge. A school's vision and mission statement indicate its core values which can inform and support the way the school develops. In order to be professional and ethical, it is important that each school member practices these values so well that if no policy or procedure manual is available, we would still make the best decisions based on our understanding of these values.

- We believe in learner's constructive approaches which are Appreciation, Commitment, Creativity, Confidence, Curiosity, Cooperation, Empathy, Enthusiasm, Independence, Integrity, Respect, and Tolerance, which demonstrate the aspiration to achieve their best.
- We believe in character building aspects which are Inquirer, Thinker, Caring, Balanced, Knowledgeable, Open Minded, Risk taker, Communicator, Reflective and Principled which describes a broad range of human capacities and possibilities that go beyond academic success.

SHARE AND CARE

"Let there be pleasure in giving others pleasure,
Sheer pleasure, beyond all one might measure"

Kerala Kala Samithi Trust works emphasis on Education, health care, community services with coordination of support from society and other organisations. During Republic Day celebration 2024, KKS Trust donated 2 wheelchairs for handicapped people. On 27 Jan 2024 a special Share & Care Campaign was organised in Dang district, providing ample amount of necessary food materials to all the people around the village. The joy of giving was cherished further by visiting Manav Mandir. On 31st Dec, 2023 our students, teachers as well as KKS committee members paid visit. We had organised recreation activities such as dance, song and cake cutting for celebrating New Year. Mid day meal and wheel chairs Walkers for handicapped - were provided. Thus, KKS Trust and S.E.M School tries to inculcate the feeling of brotherhood and value of kindness in each and every student of the institution

INDEPENDENCE DAY

Samithi English Medium school embarked on the journey of celebrating 78th years of completion of Independence of our country, by participating in various activities and competitions under the theme of "Viksit Bharat" or "Developed India".

To celebrate the 78th Independence Day, the school hoisted the National Flag in its premises with immense pride, the excited students poured in to celebrate the completion of 78 years of Independence, despite the inclement weather. The school looked festive with wonderful Rangoli in tri colour, festoons and fragrance of fresh flowers everywhere.

The festivities started with the hoisting of the National flag by our honourable Management committee members, followed by the singing of the National Anthem by everyone present, with heartfelt emotion. To give tribute to the martyrs, our SPC and NCC students took active participation while participating in the march past to the Amar Jawan Jyoti.

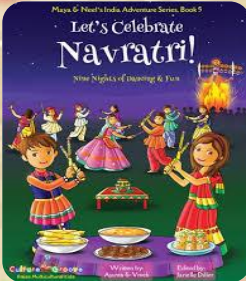

The cultural extravaganza started with a patriotic song and was followed by a series of mesmerizing dances, soulful patriotic songs, speeches by students and melodious instrumental music, arousing patriotic feelings in all. It was a joyous and thrilling experience for both the performers and the audience.

The memory of this special day is etched forever, in the hearts and minds of those who were present to witness it. The spirit of freedom by our forefathers was celebrated with a lot of zeal and patriotic sentiments.

FESTIVALS & CELEBRATION

Navratri celebration

In SEM we had celebrated it with dancing, prayer, spiritual enthusiasm and fun. The celebration started with Navdurga arti with religious fervour. Then it was followed by anchoring by Ms Nutan.

Students dressed up in their traditional outfits, even we had organised the best dressed up competition along with the best dance competition too. Students enjoyed it thoroughly along with their teachers. It was indeed a great celebration moment for all of us.

Christmas celebration

Christmas is the festival which inspires the spirit of sharing and caring. A Christmas celebration was held on 23rd December 2023, in the SEM school ground. The school was beautifully decorated and everybody was dressed in red and white. The programme started with information about Christmas and why is it celebrated through a speech by Vedant Vakhare. A beautiful Tableau followed depicting the scenes of the nativity of Jesus Christ interspersed with melodious carols sung by the choir.

Right from the conception of Mary to the birth of Jesus a harmonious story was displayed by the students. The event ended with cheerful Christmas greetings as the students danced to the melodious tunes of 'Jingle Bells' and 'We wish you a merry Christmas.'

Diwali celebration

'Let us move from untruth to truth and from darkness to light.'

The Diwali celebrations at school often mean a festive look with diyas and lanterns adorning the class. The activities permeate the school premises with an atmosphere of togetherness and hope. The students of Samithi English Medium School celebrated the festival of Diwali with great enthusiasm. The young students proved that creativity and talent do not have boundaries. To mark the occasion, various competitions were organized with a special assembly by the students of Red House. It started with a solemn prayer to the almighty and a beautiful thought that filled our hearts and minds with love and harmony.

The students of 6,7 and 8 continued the Diwali celebration with the making of rangoli and classes 3,4 and 5 made torans and std 1 and 2 decorated diyas. The entire presentation filled the hearts of all students with the spirit of Diwali and they enjoyed the celebrations.

THE FOUNDATION DAY

A school celebrates its foundation day to reminisce and honour its establishment.

Kerala Kala Samithi school was established in the year 1971. To have a sense of history it is very important to know where we have come from. Hence, on this day we are reminded of how the school was formed 49 years ago.

The foundation day celebration began with the lighting of the lamp by the president of the school Mr. Suresh P Nair and management committee members. After that the cultural programme started. Students performed a variety of performances. At the end of the programme our school President Mr. Suresh P Nair had a productive meeting with the teachers and presented a vision for the school's future.

It is a time to acknowledge the collective effort and achievement of the teachers, staff, students and administrators who have contributed to the growth and success of the school.

CLUB ACTIVITY

The journey of learning is a life long process. Samithi School's aim is to help the holistic development of each and every child. We provide equal opportunity to all students to reach their goal.

Club Activity is a learning process which helps the students to apply their knowledge practically. It helps them to show their talents, cooperation and presentation skill.

Our school conduct Club Activity in every month for standard 1 to 8. Here are some club activities which we had conducted during the academic year 2024- 25. At first we made different subject wise groups according to their interest.

Science Club Activity

Students learnt about the steps of scientific investigation. They explored how various theories have changed over time by gaining knowledge through scientific investigation. They began to use evidence and read about principles finding to compare and contrast different theories.

Math Club Activity

Games on multiples, common multiples and odd and even numbers were conducted in Math Clubs.

In the activity heritage hunt students brought materials like leaves, sticks and stones and arranged them in ascending order .

In magic Square, students were asked to arrange the given numbers in such a way that , sum of the numbers in each column, row and diagonal would remain the same.

English Club Activity- Library Activity

Libraries are important for reading because they can help students of all ages to develop a love of reading, encourage exploration and inspire curiosity. Libraries can also help people to improve their literacy, learn more about a variety of subjects and develop a mindset.

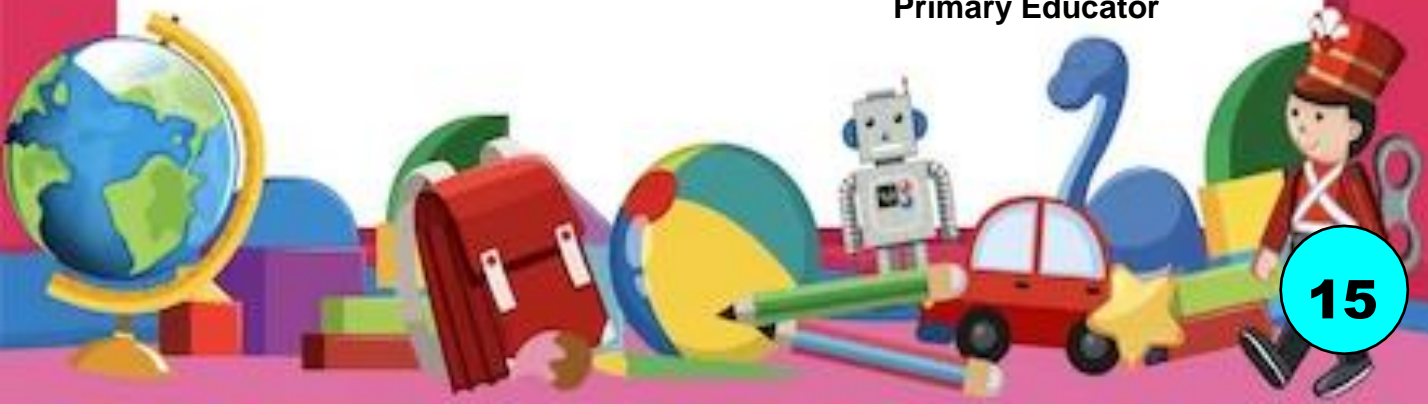

We conducted club activity based on library which helped students to learn the library's layout and different sections by searching for specific items or locations. Students got the chance to move around, which helped them learn more effectively and stay engaged.

Students developed research and critical thinking skills, and learnt to be curious and independent.

Scavenger hunts used clues, questions, or specific objectives to guide students as they searched the library's shelves for reading material, information, and other treasures.

TEACHER'S WORKSHOP

JUNE 12, 2024 | Samithi English Med School, Surat

Enhancing Classroom Management through NEP: A Holistic Approach

The National Education Policy (NEP) emphasizes a holistic approach to education that nurtures not just academic knowledge but also the overall development of students. This involves fostering creativity, critical thinking, and effective classroom management. In our recent training, we explored how these elements are interconnected and how they can transform our teaching practices.

What We Learned from the Training

During the training, we discussed the importance of creating a supportive classroom environment that encourages creative and critical thinking. We learned that class management is not just about maintaining order; it involves fostering a culture of respect, collaboration, and engagement among students. By integrating NEP guidelines, we can develop curricula that are inclusive and cater to diverse learning styles, enhancing student participation and motivation.

Implementing Content in the Classroom

To implement these concepts in our classrooms, we can start by establishing clear classroom rules that promote respect and cooperation. Encouraging student-led discussions and project-based learning can enhance creative thinking as students work together to solve real-world problems. Additionally, incorporating regular reflection activities helps students develop critical thinking skills and self-awareness. Utilizing diverse teaching materials and methods, including technology and hands-on activities, will cater to different learning preferences, making education more accessible and engaging.

PARENT ORIENTED ACTIVITIES

A Parent Orientation Program was held in our school aimed at introducing parents to the school's academic framework, policies, and the holistic development programs for the students.

This event also given an opportunity for parents to engage with teachers and understand their children's educational journey.

The program began with welcoming the parents and our toddlers, discussed about how to support their children's learning journey at home.

Teachers discussed the sense organs, myself and save environment topics for each grade, explaining the syllabus, teaching methods, and the evaluation process.

A session was conducted regarding various co-curricular activities and life skills programs available for students. These programs aim to nurture creativity, critical thinking, and leadership skills.

The orientation included a dedicated parents- teachers interaction session, where in parents raised their concerns about balancing academics and extra-curricular activities. Teachers addressed these concerns and re-assured the parents about the school's efforts to maintain a healthy balance for the children.

The Parent Orientation Program concluded with an emphasis on maintaining an open line of communication between parents and teachers. Parents left the session feeling more informed and re-assured about their children's education. The program successfully established a partnership between the school and the parents, with both parties committed to the holistic growth of the children.

SPECIAL ASSEMBLY

School assemblies are an important part of the school day and curriculum. They can help to create a positive school environment and serve many purposes.

Morning assemblies can serve as a powerful tool to develop their characters and personality build positive habits, and develop critical thinking and public speaking skills.

It is an essential part of the daily ritual that promotes their academic, social and emotion development.

Objectives of Morning Assembly

The main objectives include:

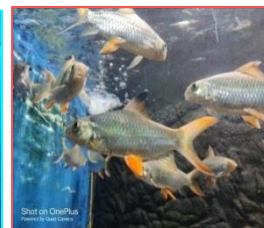

- 1) **Building unity:** By gathering students, teachers and staff together, the morning assembly creates a sense of belonging. It allows everyone to start the day on a positive note, creating a shared experience
- 2) **Information sharing:** It provides the right opportunity for school administration and teachers to make important announcement.
- 3) **Discipline and Routine:** The morning assembly in school creates a daily routine that encourage student to arrive at school on time and start the day in an organised manner.
- 4) **Recognition and Motivation:** Assemblies offer an opportunity to celebrate the achievement and successes of students and teachers.
- 5) **Moral and Value Education:** Schools use morning assemblies as an opportunity to teach morals and value to students. This includes stories, talk, or reflections, through which students are taught to develop positive attitudes and ethical values.

Field Trip : Aquarium

An open heart, a curious mind, and a sense of adventure, the perfect ingredients for a memorable field trip.....

Samithi English Medium School had organized a field trip on 13th July 2024 (Saturday) to the aquarium for the students of Pre-Primary section. The purpose of organizing the field trip was to help the children to explore about aquatic animals. Field trip added fun to educational experiences and enriched the knowledge of the children giving them the real life experiences. The children had a prodigious time. They were all excited to go and see the fishes. As soon as the tiny tots walked through the entrance, they saw water tanks filled with fishes and enjoyed walking around exploring the various displays. There were fishes of different colours, sizes and shapes. Some were big and some were small, some were bright and some were dark in colour. The names of various fishes were written below the tanks. They are eels, red tail, gold fish, jelly fish, Oscar, starfish, zebra fish and many more, swimming merrily in the tanks. The children saw different decorative shells, stones etc. which made the water tank look more beautiful and attractive. Children were able to identify unique features of the fish, it's fins and tails. An activity was done on reflection of the field trip, that is, to draw and colour the water animals. Over all it was a learning with fun experience.

IMPACT OF ASSESSMENT

Assessment in education is a multifaceted and essential component of the learning process. The impact of assessment extends far beyond just assigning grades. It influences curriculum development, shapes educational experiences, and has significant implications for student success. By understanding the various forms of assessment and their roles, educators and policymakers can make informed decisions that promote a fair, effective, and equitable educational system.

Assessments have a significant impact on students, teachers, and the education system as a whole. Here are some of the key effects:

Improved student learning : Assessments help students identify areas for improvement and track their progress.

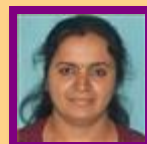

Teacher feedback : Assessments provide teachers with valuable insights to adjust instruction and support students.

Accountability : Assessments hold teachers and schools accountable for student learning.

Standardization : Assessments ensure consistency and fairness in evaluating student performance.

Preparation for future evaluations : Assessments prepare students for future tests, exams, and real-world evaluations.

It's crucial to use a balanced and varied approach to assessment, including formative, summative, and authentic assessments, and to use assessment data to support student learning and growth.

"A leader goes the way the one who knows the way, and shows the way".

I now realize the gravity of this quote as one of the action, a leader can do is to lead everyone by example. If you want to be passionate, committed, dedicated and motioned leader, you should go first and take the initiative. School is a temple of learning. We as students travel the path of wisdom and knowledge and achieve our goals. Myself Ritu Sailesh, as the head girl of SEM school year 2024-2025 has brought me closer to my dreams in my life I was thrilled when my name was announced as the Primary Head Girl. On 20th July, it was a proud moment when my principal mam pinned the batch during investiture ceremony. My confidence level has improved and my stage fear has come down. I thank all my teachers for providing such an opportunity to serve as the School head girl. Serving as the head girl of my school, won an incredible experience that shaped my leadership, acting personal development skills. I felt a profound sense of responsibility to represent my school.

Hello! I am Aaryan Jadav the Head Boy of academic Year 2024-25. My journey from an average student to a Head Boy was incredible. For being a Head boy you have to be very clever, you have to be a scholar, and have to be very disciplined student. My vision for our school is and of unity, inclusivity and excellence. I believe that each and everyone has a vital role to play in shaping the future. To become a Head Boy I have to face and manage my studies as well as sports. I have done many sports activities but at the end all activities and studies were well managed by me. There were many difficulties that I had faced through my primary section too. Thanks to my teachers for believing in me, coordinating as well as motivating me. I also maintained a healthy relation with my friends so that they get motivated.

कविता : कीड़े और प्रकृति

एक चाँद की रोशनी चमकती, एक कीड़ा उसे और आकर्षित करता।
गीत इतना मधुर गाता,
सुनने वाला भी कठिनाईयर्थी भूल जाता ॥

पंख से सीख मिलती, साथ मिलकर ही कार्य उत्कृष्ट होता है।
दोनों पंख मिलकर रात सुंदर बनाने,
एक पंख टूट जाता तो मानो लगता रात की बर्बादी ॥

भगवान भी कितने सुंदर रचयिता है,
मनुष्य अपने सुर से गाते पर ... झोंगुर कीड़े अपने पख से गाते।

पुराने जमाने में देखे जाते ते बहुत,
पर अभी मकानों, घरों की वजह से जंगह कहाँ।
जो भी यह गीत सुने वह, शांतिपूर्ण और सकारात्मक वियार करे ॥

True Friendship

Curse and Lucky were two friends Whenever they Went together. The villagers mocked at them.

Hello lucky why are you with curse; his name is so negative, so should be his character, although Lucky did not mind this, Curse felt very bad. Once when lucky was out of station his house caught fire, the villagers were afraid to go near and quench the fire. So curse bravely fought the fire and quenched it. On his return lucky heard the whole story, he took his friend curse proudly and said to the villagers to look at who saved his house. It is curse my friend "what is in the name? It is in the character that Someone is good or evil. Don't evaluate a person by name."

A SMILE

Smile is the best medicine in the world. A Smile is quite a funny thing. It wrinkles up your face. And when it's gone, you'll never find. It's secret hiding place. But far more wonderful it is to see what smiles can do. You Smile at one. He smiles at you. And so one smile, makes two.

About the Institution

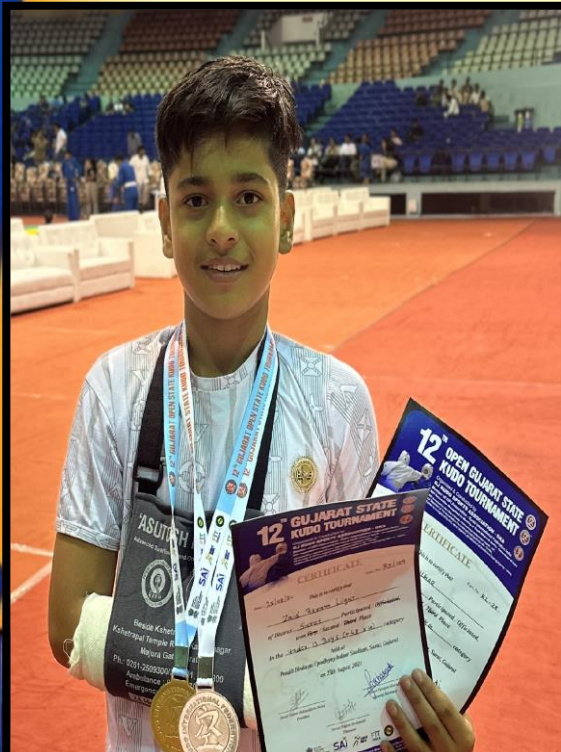

I am extremely thankful to SAMITHI ENGLISH MEDIUM SCHOOL for adding value to my son's life and I wish that it continues to enlighten their future always. SEM school with its extra ordinary teaching methodologies, safe and caring environment, unmatched support and coaching's for academic and co-curricular activities, is truly appreciable. The most valuable thing about the school is that it makes different and best vision of the school. Principal Ms. Runa Nath, who is the guiding light, showing path to students and parents for successful and bright future. The bonding that they share with SEM School is enormous and it makes me feel proud to be part of the SEM family. I am sincerely grateful to all the teachers and everyone who has influenced my son during the entire year.

- ❖ *Education is the passport to the future, for tomorrow belongs to those who prepare for it today.*
- ❖ *"Education breeds confidence. Confidence breeds hope. Hope breeds peace."*
- ❖ *"There is no end to education. It is not that you read a book, pass an examination, and finish with education. The whole of life, from the moment you are born to the moment you die, is a process of learning."*
