Dear Parent of std I to VIII,

The school in its commitment to provide remedial assistance for the students who are having difficulty in understanding certain subjects is starting with **Remedial classes (Std I to VIII)(only selective students need to attend compulsory classes)** from **Monday 9th February 2026**. We would like to inform you that this step helped last year to get the better score of the students, hopefully this year too, but students should be consistent for the classes and attendance is mandatory for them or else strict action will be taken. We have taken the undertaking as well which means we need parent;s support for the betterment of our students.

- These classes will commence from **12.40 pm to 1.30 pm** onwards and will be of the duration of **40 minutes**. Please note that on the basis of the marks scored in previous assessments, your ward is required to attend the remedial class for a few subjects.
- The remedial classes **time table will be shared by 7th February 2026** to the respective students through the school's application.
- **School will not provide transportation except the students who avail the facility they will go along with CBSE students after the remedial classes.** Parents are requested to come to pick their ward from school as buses are not available or else we could have given. It's really important for the students to start with their teachers to get a better understanding of concepts and marks.
- Students can bring one **small tiffin** if they feel hungry ,they can have it. Our teachers are staying back for the overall academic progress of our students.
- **One extra 100 page notebook** needs to be there with the students.
- **We are sending the consent form along with your ward.**

We solicit your cooperation. It's mandatory for the students to attend remedial classes. Attendance will be taken.

Regards,
SEM

Important note:

Request the parents to send one 100 pages notebook for the revision class and its compulsory for the selective students to attend the remedial classes. If any parent would like to opt out (not sending their ward) for the extra classes then they need to write a diary note to the respective class teachers with valid reasons. During classes if any child won't be present for any reason then too parents need to update the school for proper management ,or the school won't be responsible for learning loss.
