

APPEAL

JAN ANDOLAN FOR COVID 19 APPROPRIATE BEHAVIOUR

Dear Teachers, Students & Parents.

Coronavirus pandemic has triggered an unprecedented Global Health, socio economic and Human Rights crisis all over the world. The Jan Andolan campaign comes ahead of festivals, the winter season and amid the opening up of the economy. Let us all be a part of this public awareness drive against covid-19 which is headed by our honorable Prime Minister Mr. Narendra Modi, asking people to take precautions like wearing mask and maintaining social distancing. This blind war can be fought only when we are united. From lockdown to unlock 5.0 we have shown our real strength. We have come out being digitally strong inspite of facing all the obstacles. Let's implement Jan Andolan appropriate behaviour wholeheartedly and continue the momentum to fight against Corona. Stay positive!!! Our actions will have an effect. Let's work together to stop the spread of covid-19.

- Wear mask

- Maintain hand hygiene

- Follow social distancing
