May Day

Embracing the spirit of *May Day*, St. Georgia Girls' School organised a vibrant and engaging event to honour its frontline workers ; the backbone of every successful organization and thanked them for their unwavering commitment. The campus was decorated beautifully. Students delivered speech and recited poems in their honour. Honourable Principal Ma'am conveyed her gratitude and thanked the unsung heroes for their selfless dedication . Various games were organised and the event ended by offering them delicacies on their big day.

Preposition Game

***Friday activity -
based on*
*Preposition
Game ***

***Purpose - To
make children
aware of the
correct use of
prepositions***

**With an aim to strengthen the Grammatical skill of the students St. Georgia Girls' School conducted an activity on
Prepositions.**

This was an engaging and interactive way for students to practice and master the use of prepositions in sentences. By fostering creativity and collaboration, this activity not only reinforces grammar concepts but also promotes active participation and language proficiency development.

Workshop On Basketballs Skills

***Purpose-**

To teach the students the importance of fitness and collaboration

To help children learn endurance, improve balance and coordination St. Georgia Girls' School organised a workshop to teach ***basketball skills*** to its senior students under the guidance of Ms Rashmi. Students had an incredible time where they honed their skills, built teamwork, and had a blast on the court. With smiles all around the workshop was wrapped up with a cool-down session, celebrating the progress made and the passion shared for the game of basketball.

Periodic Exam

Exams are a part of the academic culture and periodic exams evaluate the understanding of the students of the subjects taught over a specific period of time. *St. Georgia Girls' School* conducted its first periodic tests for session 2024- 25 in the second week of May to assess how well the students have grasped the concept. It was well organised where students gave their best. The school believes in monitoring the progress of the students on a regular basis to encourage the top scorers and identify and provide help the students who need special guidance

Mother's Day

Mother's Day is celebrated to honour mothers and motherhood all over the world. To show gratitude to mothers for their contribution in every sphere of life St. Georgia Girls' School celebrated Mothers Day with its Montessori kids.

The excitement of these budding flowers knew no bounds. They showed their love for their mothers by singing and dancing to the tunes of songs dedicated to mothers. Children even recited poems for their mothers. Overall it was quite an engaging and exciting activity made memorable by the children.

Competence based training under COE Patna

The Central Board of Secondary Education (CBSE) emphasizes the importance of life skills education as an integral part of the school curriculum. Life skills are essential abilities that help individuals effectively handle the demands and challenges of everyday life. To train the teachers for the effective implementation of the same in the classroom CBSE conducted its workshop on *Life Skills (Advanced)* in the auditorium of *St Georgia Girls School* under the aegis of COE, Patna on *11th May ,2024, (Saturday)* . Seventy teachers from different school participated and were benefitted through the interactive sessions, group activities, quizzes and games.

Overall, CBSE's approach to life skills education underscores the importance of nurturing well-rounded individuals equipped with the essential skills and competencies to thrive in a rapidly evolving world.
