April 6, 24 | ST. GEORGIA GIRLS' SCHOOL

St. Georgia Girls' School conducted its Orientation Ceremony for the new members (parents) of the Georgia family On 6. 04. 24 (Saturday).

The Orientation ceremony was designed to provide the parents with valuable insights into our programs like curriculum, extra curricular activities, rules and regulations, communication channels and other ways to get involved in school activities.

It was a wonderful opportunity for the parents to interact with the faculty members and staffs.

On this occasion the school announced *Abacus* as its learning partner. Abacus is a powerful tool for mental calculation and is used to teach children amazing mathematics skills.

Eid is a social festival of peace and harmony blending countrymen together. It serves as a reward to people for all the good deeds they have done in the month of Ramadan. If Eid is observed in its true spirit it only spreads joy and brotherhood.

ABACUS

ABACUS CLASSES ARE NOT TYPICALLY PART OF THE STANDARD CURRICULUM IN SCHOOLS. HOWEVER, SCHOOLS OFFER EXTRACURRICULAR ABACUS CLASSES AS A WAY TO ENHANCE MATH SKILLS AND MENTAL CALCULATION ABILITIES.

House themed Board decoration

HOUSE-WISE BOARD DECORATION IN SCHOOLS ADDS A VIBRANT TOUCH OF CREATIVITY AND COMPETITION TO THE ACADEMIC ENVIRONMENT. EACH HOUSE, REPRESENTING A UNIQUE IDENTITY AND SPIRIT, TRANSFORMS THEIR DESIGNATED BOARD INTO A CANVAS OF EXPRESSION AND IMAGINATION.

The house-wise board decoration not only enhances the aesthetic appeal of the school environment but also cultivates a sense of pride and belonging among students. It fosters healthy competition, encourages collaboration, and nurtures creativity, ultimately enriching the school experience for all involved.

CONCLUSION

As we conclude this month's edition of our school magazine, we reflect on the multitude of experiences, achievements, and memories that have colored our journey. From the first day of orientation to the investiture ceremony, every moment has contributed to the rich tapestry of our school community. Our students have showcased their talents and abilities in various fields. Whether on the stage, in the classroom, each accomplishment has added a vibrant thread to the fabric of our school's success.

Special thanks also to our teachers, administrators, and support staff, whose unwavering commitment has provided the foundation for our achievements.

As we bid farewell to another chapter of another month in our school's history, let us carry forward the lessons learned and the friendships. Together, we will continue to grow, learn, and make a positive impact on the world around us.
