

SACRED HEART SR. SEC. SCHOOL

Bhai Randhir Singh Nagar, Ludhiana

Syllabus for Class-U.K.G.
Session 2026-2027

FOREWORD

Dear Parents,

Early childhood is a time of wonder, curiosity, and joyful discovery. The kindergarten years lay the foundation for a child's lifelong learning journey by nurturing imagination, creativity, confidence, and values. This syllabus has been thoughtfully designed to create a warm and stimulating environment where young learners grow through play, exploration, stories, music, and meaningful activities.

Our approach focuses on ****HPC — Holistically nurturing the Personality and Character of every child****. We strive to develop happy hearts, curious minds, and confident voices. Along with academic readiness, we emphasize kindness, good habits, respect for others, teamwork, and love for nature. Each child is encouraged to think, express, create, and develop a sense of responsibility and self-belief.

We believe that education at this stage is not merely about learning letters and numbers, but about shaping compassionate, confident, and joyful individuals. With the support of parents and teachers, we aim to create a safe and caring space where children feel valued, inspired, and eager to learn each day.

May this learning journey be filled with smiles, discovery, and the blossoming of bright young minds.

We will need your help and support at every step to help the child to gain:-

- Knowledge of concept
 - Spoken and written expression
- Let us join hands and make the vision, a reality

When fire's out home they go
Back to the bed all in a row.
