## **Circular**

**02.03.2023**

Dear Parents,

Greetings!

I wish the entire SIS community a very warm welcome to the new academic year 2023-24 which will begin soon.

We hope this letter finds you in good health and high spirits. As we approach the beginning of a new academic session, we would like to take this opportunity to extend a warm welcome to you and your child to our school community.

The relevant upgradation of digital resources and technological skills has provided a robust platform to continue our pursuit for excellence in education, keeping cognitive, social and emotional needs at the core of our curriculum planning and implementation. Parent partnership and student ownership have been key elements of success in this journey, thus far. We look forward to our children discovering newer talents, strengths and skills through our Connected Learning Program in the year ahead.

We are excited to announce that our school will be opening its doors for the new academic session as per the calendar mentioned below. We have spent a great deal of time and effort preparing for this day to ensure that your child has the best possible academic experience with us. Our dedicated team of educators and staff have been working tirelessly to provide a safe and engaging learning environment for your child.

The trust and faith our parent body reposes in us, helps us achieve our academic and non-academic goals with vigour and rigour. A year ahead, we hold on with renewed strength and belief in our vision and mission to ensure that every learner thrives in this world. We are confident that your child will thrive in our school and we look forward to working with you to ensure their success. Thank you for entrusting us with your child's education, and we hope to see you soon.

With prayers and good wishes

  
Principal
