

**CLASS VIII**  
**ART INTEGRATED PROJECT**  
**TOPIC – AGRICULTURE OF MANIPUR**

**GENERAL INSTRUCTIONS**

1. Make **only one handmade project folder** for all subjects. Decorate it neatly with colours, glitter, etc.
2. Write on the front page: ART INTEGRATED PROJECT – CLASS VIII – TOPIC – STUDENT’S NAME
3. Use coloured ruled A4 sheets. You may paste pictures, maps, tables, or drawings wherever needed.
4. Include all subject questions in the same project file. Arrange the sheets in the same order of subjects given in the table.
5. First write: Index → Acknowledgement → Introduction and then start the subject work.
6. Write the answer for each subject question in 1–2 pages only and staple all sheets neatly in one folder.

Subject	Question
1. English	Write a descriptive paragraph on farming practices of Manipur ( 150 words)
2. Hindi	कृषि की प्रणालियाँ
3. Sanskrit	कृषौ उपयुज्यमानानि साधनानि ( कृषि में उपयोग होने वाले साधन
4. Mathematics	(i) 🌾 Crop <i>production</i> in Manipur (data and percentage). (ii) Area measurement. (iii) 💰 Profit and loss. (iv) Graph 📊 and data representation.
5. Science	Explore the scientific principles behind traditional and modern farming methods. Also make a comparison table between them on the basis of tools and machines used, yield, cost, effect on environment, use of chemicals vs organic methods.
6. Social Science	Write about agriculture in Manipur and major crops such as rice, maize, pineapple, and oranges. Mention the farming methods, importance of agriculture, and main crops grown in the state. Decorate the sheet with suitable drawings.
