Summer Break from

_____

to

_____

Hey!! Holidays are fun !
Despite the hot sun,
We can still have a lot fun
Summer is full of ice cream scoops.
Whenever our spirit droops,
Watermelons and jellies,
To joyfully fill our bellies,
In my head, I can hear a humming
Soon, summer vacation is coming

Dear Parents,

Exciting time is here again ! Its time for summer vacation and fun filled activities.

Children are reservoirs of potential which needs to be tapped and channelized in diverse ways. We feel that it is very important to fire their imagination and foster an outlook that helps them explore, discover and rediscover. Children should be encouraged to develop intellectually and physically. Summer vacation is the best and fruitful time for learning and for nurturing creativity. It is the time when you can connect with your child in many ways. The holidays homework designed would not only enhance achievements of your children but also help to enhance family relationships. It would teach your child to work independently and would improve their basic academic skills such as reading , writing , spelling and would help them develop personal skills and time management. A few suggestions that you may keep in mind.

* Spend quality time with your children. Take them out for outings and have fun time together.
* Help your children to become independent by giving them responsibilities.
* Involve them in small household activities.
* Inculcate in them good manners, healthy habits and respect for elders.
* Converse with your children in English.
* Encourage your children to read books to enhance their language skills. Reading will also boost their interpretative skills and provide them valuable literary experience.
* Cultivate sportsmanship by encouraging your children to play various indoor and outdoor games. Remember that summer vacation is the time to relax and enjoy.
