FOR THE PARENTS

Summer Vacations are here. A few vital suggestions are listed below to make the vacations more exciting and fruitful than ever before:

- + Keep at least half an hour a day for sharing experiences with your child.
- + Encourage your child to speak in English. Fix one hour in a day when you communicate with your child only in English.
- + Tell your child different stories regularly and encourage him to describe what he/she would do in a similar situation.
- + Let your child do colouring, drawing, painting, playing with water and sand etc.
- + Restrict his or her television watching, motivate them to watch interesting children's programmes, cartoon films, Discovery channel etc.
- + To improve the formation of letters, make your child write a page of Hindi and English everyday.
- + Develop self help skills: Let your child dress and feed on his/her own.
- + Make him understand the importance of cleaning his room and putting away toys and belongings after use.
- + Take your child out for picnics and to other places of his/ her interest. Ask him/her to make a note of all the places he/ she visits and the things he/she sees so that he/she is able to discuss his/her experience in class after the vacation

Have a nice time !
