It's Summertime, and
School vacation has begun.
It's time for children to play and
have fun in the Sun.

The Month of May has brought long, hot days, and now we have our summer holidays..

Summer holidays mean no school, waking up late with no set rules,
little homework that's easy to do, less studying and lots of fun.

Playing, talking & watching cartoons -the fun continues till the end of June.

This beautiful time comes once a year,
summer holidays are the best days ever.
