SUMMER HOLIDAY HOMEWORK 2026

CLASS- NURSERY

Dear Parents,

The summer holidays are a wonderful opportunity to spend quality time with your child. Make the most of this time by engaging in meaningful activities such as reading illustrated storybooks together. After finishing a story, take a few moments to discuss it with your child. Focus on developing phonic awareness and encourage word-building exercises and picture-based conversations.

You can also help your child practice using simple sentences at home. For example:

- Mom, can you please give me something to eat?
- May I have a glass of water, please?
- Please trim my nails.
- Could you tell me a story?
- Please comb my hair.

Encourage the use of polite expressions and “magic words” such as *excuse me*, *sorry*, *thank you*, and greetings like *good morning*, *good afternoon*, *good evening*, and *good night*.

Also, instill good manners by encouraging your child to offer their snacks or food to others in the room before eating.

Wishing you a joyful and enriching summer with your child!
