Class VI • Worksheet 1 • Code-Word Magic

Science — Components of Food (Ch. 2)

Hook: *Sirf ek silly sentence se 7 nutrients yaad? Chalo dekhte hain!*

Yeh trick kaise kaam karti hai

- Jo cheezein yaad karni hain unki list banao.
- Har ek ka pehla letter lo.
- Letters ko jodo — ek word ya ek funny sentence banao.
- Sentence jitna silly, utni der tak yaad rahega.

Dekho ek example

Topic: Saat components of food — Carbohydrates, Proteins, Fats, Vitamins, Minerals, Water, Roughage.

Pehle letters: C, P, F, V, M, W, R

Acrostic: "Cute Penguins Frequently Visit Mumbai With Roti."

Carbohydrates, Proteins, Fats, Vitamins, Minerals, Water, Roughage.

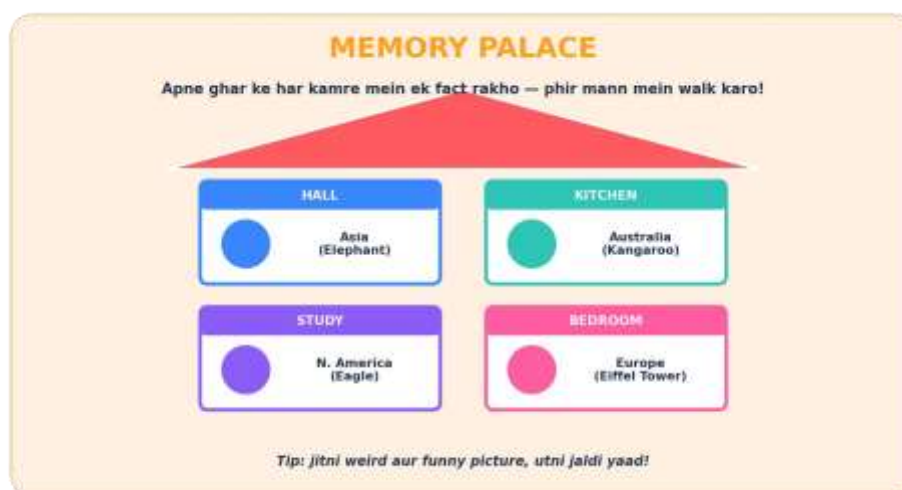

Ab tumhaari baari! — Practice Tasks

2. 4 seasons ka acronym banao: Winter, Summer, Monsoon, Autumn.
3. Phool ke koi 5 parts (sepal, petal, stamen, pistil, ovary, anther, filament, stigma) chuno aur acronym banao.
4. Apna sabse funny acronym ek flash card par likho. Dost se swap karke decode karo.
5. Bonus: Acronym ek chote bhai/behen ko sunao. Agar woh hass diye, toh yaad pakka!

Kya tumhe pata tha? VIBGYOR — jis tarah tum rainbow yaad karte ho — ek acronym hi hai! Memory champions isi trick se 1,000+ digits yaad karte hain.

Class VI • Worksheet 2 • Memory Palace

Social Science / Geography — Seven Continents (size ke order mein)

Hook: Agar tumhaara bedroom poori duniya ka map store kar sake toh?

Yeh trick kaise kaam karti hai

- Ek jagah chuno jo tumhe achhe se yaad ho (ghar best hai).
- Us mein ek fixed walking route socho — 7 stops, order mein.
- Har stop par ek fact ek wild, colourful picture ke saath "rakh do".
- Mann mein yeh route 3 raat tak ghoomo — bas ho gaya!

Dekho ek example

Topic: Saat continents size ke order mein (bada → chhota): Asia, Africa, North America, South America, Antarctica, Europe, Australia.

Ghar ka palace (sample):

1. Main door → ek bada ASIAN elephant "welcome" bolta hua.
2. Sofa → ek AFRICAN lion cushions par leta hua.
3. Study table → sunglasses pehne ek EAGLE (North America).
4. Seedhi (stairs) → salsa karta LLAMA (South America).
5. Bathroom → ice par slide karta PENGUIN (Antarctica).
6. Bedroom → takiye se nikalta EIFFEL TOWER (Europe).
7. Kitchen → Maggi banata KANGAROO (Australia).

Ab tumhaari baari! — Practice Tasks

1. Apne ghar ke 7 spots walking order mein likho. Har ek ke saath ek continent ki wild picture banao.
2. Ab ek doosra palace banao 5 oceans ke liye: Pacific, Atlantic, Indian, Southern, Arctic.
3. Dono palaces aaj 2 baar ghoomo, kal subah phir, aur 7 din baad ek baar aur.
4. Apna palace map ek sheet par banao aur notebook ke cover ke andar chipka do.
5. Bonus: Parent se quiz karo — kya woh continents order mein bata sakte hain?

Kya tumhe pata tha? Sherlock Holmes books aur films mein Memory Palace use karta hai. World memory champion isi se 52 shuffled cards 20 second se kam mein yaad kar leta hai!

Class VI • Worksheet 3 • Story Chain

English (Honeysuckle) — Tricky Vocabulary

Hook: Boring word-lists → tumhare dimaag mein exciting chhoti movies.

Yeh trick kaise kaam karti hai

- Jo words baar-baar bhoolte ho, unhe chuno.
- Har word ke liye ek vivid mental picture banao (jitni funny, utna achha).
- Sab pictures ko ek chhoti kahani mein jodo — ek se doosri.
- Kahani ek baar zor se padho. So jao. Kal use yaad se likho.

Dekho ek example

5 tricky words: valiant, trudged, scampered, drowsy, marvelled.

"Ek **VALIANT** knight shining armour mein deep mud mein **TRUDGED** — *squelch, squelch!* Tabhi ek bunny uske pair ke paas se **SCAMPERED**. Knight ko **DROWSY** feel hua, palkein elephant ke kaano ki tarah jhuk gayin. Usne aankhein kholin — aur ek glowing rainbow castle dekh kar **MARVELLED!**"

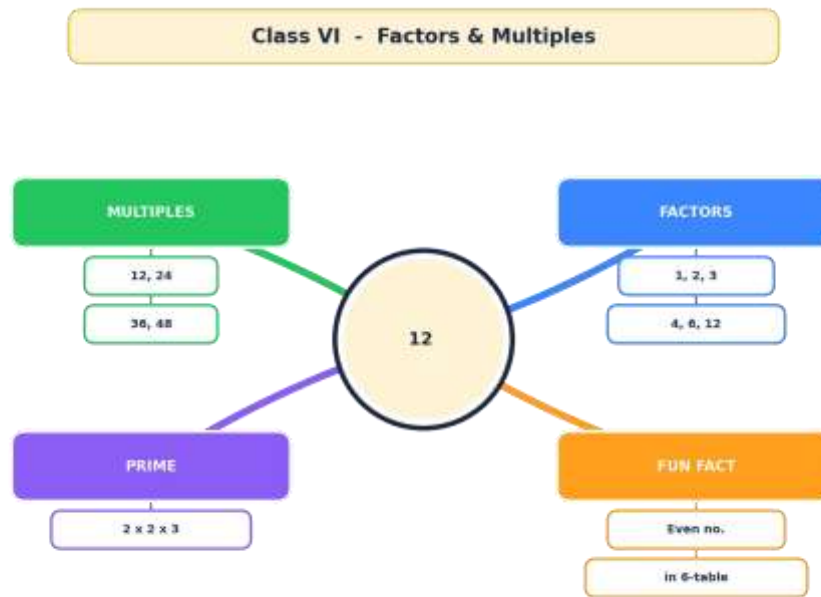

Ab tumhaari baari! — Practice Tasks

1. English textbook kholo. Is term ke koi 5 naye tricky words chuno.
2. 4-line ki wild kahani likho jo saare 5 words ko jode. Naye words underline karo.
3. Kahani 3 baar zor se padho. So jao. Kal yaad se likho.
4. Apni kahani ka 4-panel comic strip banao — stick figures bilkul chalega!
5. Bonus: Hindi shabd-bhandar ke 5 mushkil words ke liye bhi aisi kahani banao.

Kya tumhe pata tha? Purane zamaane mein log poora Ramayan aur Mahabharat — 200,000+ shlok — isi trick se yaad rakhte the. Na paper, na phone — sirf imagination.

Class VI • Worksheet 4 • Mind Maps

Mathematics — Factors & Multiples (Ch. 3)

Hook: Numbers akele nahi rehte — unke families hote hain. Chalo unka family tree banayein!

Yeh trick kaise kaam karti hai

- Beech mein ek circle mein main idea likho.
- Bahar ki taraf moti branches banao — har bade sub-idea ke liye ek.
- Branches par chhote keywords likho (poore sentence nahi).
- Chote doodles add karo aur kam se kam 3 colours use karo.

Dekho ek example

Topic: Number 12 ke factors aur multiples. Upar wala colourful map dekho — beech mein 12, charon taraf branches.

Branches: FACTORS (1,2,3,4,6,12) • MULTIPLES (12,24,36,48...) • PRIME factors (2 x 2 x 3) • FUN FACT (even number, 6 ke table mein aata hai).

Ab tumhaari baari! — Practice Tasks

1. Number 24 ke liye apna mind map banao — factors, multiples, prime factors aur 2 fun facts dikhao.
2. "Types of Fractions" ka mind map banao: proper, improper, mixed, equivalent, like, unlike.
3. Har map mein 3 colours aur kam se kam 1 doodle use karo.
4. Apna favourite map study desk ke upar chipkao. Roz subah 30 second dekho.
5. Bonus: Map ki photo lekar ek hafte ke liye apna wallpaper bana lo.

Kya tumhe pata tha? Mind maps ko 1970s mein Tony Buzan ne popular kiya tha. Research kehti

hai inse recall 32% tak badh sakta hai!
