Summer break is the time to relax and enjoy with your friends and family. To help you use your leisure time in an organized way, your teacher have planned some assignments, activities and projects which you will surely love to complete. We expect you to bring the work neatly done in a folder as guided by the teachers and submit the same as per the schedule given. All the work will be given the weightage in terms of grades to be included in Evaluation I.

Dates of Submission: _____

Revise all the concepts taught in the class thoroughly.
Do one page of writing everyday.

ACTIVITIES FOR THE PARENTS

- ❖ In this modern world parents get very little time to spend with their little prince/princess so we are suggesting a few activities for the parents to help them spend quality time with their ward.

LISTENING Narrate various moral, value based stories to your ward at bed time. Help the child listen to chirping of birds in the morning & identify those birds.

SPEAKING

- ❖ Converse in English with your child & encourage the child to communicate freely with visitors, relatives who come to the house.
- ❖ Encourage the child to use day to day magic words like Sorry, Thank you, Please, Excuse me etc.
- ❖ For spiritual development encourage the child to start & end the day with prayers.

COUNTING IS A FUN

- ❖ Help your ward to learn your cell phone & residence phone numbers. Circle & mark birthdays of his/her friends and family members in a calendar so that he/she can be the first one to wish them.

GOOD MANNERS & PERSONALITY ENHANCEMENT

- ❖ Encourage your child to help in laying the table for dinner.
- ❖ Ask the child to keep his/her toys & belongings back at their place.
- ❖ Encourage your child to take bath daily & follow regular time for eating, playing, sleeping, watching T.V & listening stories.
