1. Knowledge & Understanding (LOTS)

- Identify types of pronouns (personal, reflexive, demonstrative, etc.)
- Understand pronoun-antecedent relationship

2. Application (MOTS)

- Use pronouns correctly in place of nouns
- Ensure agreement with antecedents

3. Analysis (HOTS)

- Detect errors in pronoun usage
- Differentiate between pronoun types

4. Skill-Based Learning (HOTS)

- Replace nouns with suitable pronouns
- Edit passages for pronoun errors

5. Real-Life Connection

- Avoids repetition in speech and writing
- Enhances fluency

HALF-YEARLY (HY):

CH – ADJECTIVES

1. Knowledge & Understanding (LOTS)

- Identify types of adjectives
- Understand degrees of comparison

2. Application (MOTS)

- Use adjectives appropriately

- Apply correct degrees of comparison

3. Analysis (HOTS)

- Differentiate between types of adjectives
- Analyze their impact on meaning

4. Skill-Based Learning (HOTS)

- Identify adjectives in passages
- Improve sentences using suitable adjectives

5. Real-Life Connection

- Enhances descriptive writing
- Improves expression

CH – ARTICLES

1. Knowledge & Understanding (LOTS)

- Understand use of a, an, the
- Differentiate definite and indefinite articles

2. Application (MOTS)

- Use articles correctly in context

3. Analysis (HOTS)

- Analyze incorrect usage
- Apply rules in varied contexts

4. Skill-Based Learning (HOTS)

- Fill in blanks
- Edit passages

5. Real-Life Connection

- Improves grammatical accuracy

CH – MODALS & AUXILIARIES

1. Knowledge & Understanding (LOTS)

- Identify modal verbs and auxiliaries
- Understand their functions

2. Application (MOTS)

- Use modals for ability, permission, obligation, possibility

3. Analysis (HOTS)

- Differentiate meanings expressed by modals
- Analyze usage in context

4. Skill-Based Learning (HOTS)

- Construct sentences using modals
- Edit incorrect usage

5. Real-Life Connection

- Helps in polite and appropriate communication

CH – FINITE & NON-FINITE VERBS

1. Knowledge & Understanding (LOTS)

- Identify finite and non-finite verbs
- Recognize infinitives, gerunds, participles

2. Application (MOTS)

- Use non-finite verbs in sentences

3. Analysis (HOTS)

- Differentiate between verb forms
- Analyze their function in sentences

4. Skill-Based Learning (HOTS)

- Identify verb forms in passages
- Construct sentences using them

5. Real-Life Connection

- Improves sentence variety and structure

CH – TRANSITIVE & INTRANSITIVE VERBS

1. Knowledge & Understanding (LOTS)

- Identify transitive and intransitive verbs

2. Application (MOTS)

- Use both types correctly

3. Analysis (HOTS)

- Identify objects in sentences
- Differentiate based on usage

4. Skill-Based Learning (HOTS)

- Classify verbs
- Edit sentences

5. Real-Life Connection

- Improves sentence clarity

CH – SUBJECT–VERB AGREEMENT

1. Knowledge & Understanding (LOTS)

- Understand rules of agreement

2. Application (MOTS)

- Use correct verb forms

3. Analysis (HOTS)

- Handle special cases

4. Skill-Based Learning (HOTS)

- Identify and correct errors

5. Real-Life Connection

- Ensures grammatical accuracy

CH – PREPOSITIONS

1. Knowledge & Understanding (LOTS)

- Identify prepositions

2. Application (MOTS)

- Use correctly in context

3. Analysis (HOTS)

- Differentiate similar prepositions

4. Skill-Based Learning (HOTS)

- Fill in blanks and edit sentences

5. Real-Life Connection

- Helps in describing place and time accurately

CH – VOCABULARY (WORDS OFTEN CONFUSED)

1. Knowledge & Understanding (LOTS)

- Identify commonly confused words

2. Application (MOTS)

- Use correct words in sentences

3. Analysis (HOTS)

- Distinguish meanings based on context

4. Skill-Based Learning (HOTS)

- Practice usage through exercises

5. Real-Life Connection

- Improves precision in communication

MID TERM 2 (MT2):

CH – ADVERBS

1. Knowledge & Understanding (LOTS)

- Identify types of adverbs (manner, time, place, frequency, degree)
- Understand that adverbs modify verbs, adjectives, and other adverbs

2. Application (MOTS)

- Use adverbs correctly in sentences
- Place adverbs appropriately

3. Analysis (HOTS)

- Differentiate between types of adverbs
- Analyze how placement affects meaning

4. Skill-Based Learning (HOTS)

- Identify adverbs in passages
- Rearrange sentences for correct placement
- Enhance sentences using suitable adverbs

5. Real-Life Connection

- Improves clarity and detail in communication
- Enhances descriptive speaking and writing

CH – ACTIVE & PASSIVE VOICE

1. Knowledge & Understanding (LOTS)

- Identify active and passive voice
- Understand structure of both forms

2. Application (MOTS)

- Convert active sentences to passive and vice versa

3. Analysis (HOTS)

- Analyze when to use active or passive voice
- Identify changes in focus and emphasis

4. Skill-Based Learning (HOTS)

- Practice sentence transformation
- Edit incorrect voice usage

5. Real-Life Connection

- Useful in formal writing (reports, notices)
- Helps vary sentence structure

CH – CONJUNCTIONS

1. Knowledge & Understanding (LOTS)

- Identify coordinating and subordinating conjunctions
- Understand their function

2. Application (MOTS)

- Join sentences using appropriate conjunctions
- Form compound and complex sentences

3. Analysis (HOTS)

- Analyze relationships (cause, contrast, condition)
- Choose correct conjunctions based on meaning

4. Skill-Based Learning (HOTS)

- Combine sentences effectively
- Edit incorrect usage

5. Real-Life Connection

- Improves sentence flow and coherence
- Enhances communication

CH – PUNCTUATION

1. Knowledge & Understanding (LOTS)

- Identify punctuation marks (comma, full stop, apostrophe, etc.)
- Understand their functions

2. Application (MOTS)

- Use punctuation correctly in sentences and dialogue

3. Analysis (HOTS)

- Analyze how punctuation affects meaning
- Identify and correct errors

4. Skill-Based Learning (HOTS)

- Edit passages for punctuation
- Apply punctuation rules in writing

5. Real-Life Connection

- Improves clarity and readability in writing
- Helps avoid misunderstanding

WRITING SKILLS (ALL TERMS)

CH – COMPREHENSION

1. Knowledge & Understanding (LOTS)

- Understand unseen passages
- Identify main ideas and details

2. Application (MOTS)

- Answer questions accurately in complete sentences

3. Analysis (HOTS)

- Interpret meanings and draw conclusions

4. Skill-Based Learning (HOTS)

- Extract relevant information
- Develop structured answers

5. Real-Life Connection

- Strengthens reading across subjects
- Helps in understanding real-world texts

CH – DESCRIPTIVE ESSAY

1. Knowledge & Understanding (LOTS)

- Understand features of descriptive writing
- Recognize use of sensory details

2. Application (MOTS)

- Describe people, places, or events clearly

3. Analysis (HOTS)

- Analyze effectiveness of descriptions
- Improve use of vocabulary and imagery

4. Skill-Based Learning (HOTS)

- Practice guided and independent writing
- Edit and refine descriptions

5. Real-Life Connection

- Enhances creative expression
- Improves writing quality

CH – NARRATIVE ESSAY

1. Knowledge & Understanding (LOTS)

- Understand structure of a narrative (beginning, middle, end)

2. Application (MOTS)

- Develop a clear storyline
- Use sequence and linking words

3. Analysis (HOTS)

- Analyze plot structure and coherence

4. Skill-Based Learning (HOTS)

- Practice storytelling
- Edit and improve narratives

5. Real-Life Connection

- Builds storytelling and communication skills

CH – LETTER WRITING (INFORMAL)

1. Knowledge & Understanding (LOTS)

- Understand format of informal letters

2. Application (MOTS)

- Write letters with correct format and tone

3. Analysis (HOTS)

- Analyze purpose and tone of letters

4. Skill-Based Learning (HOTS)

- Practice writing letters
- Edit for clarity and correctness

5. Real-Life Connection

- Useful for personal communication

FINAL TERM:

CH – COMPOSITION

1. Knowledge & Understanding (LOTS)

- Understand different types of compositions

2. Application (MOTS)

- Develop ideas based on given prompts
- Use correct grammar and structure

3. Analysis (HOTS)

- Organize ideas logically and creatively

4. Skill-Based Learning (HOTS)

- Practice writing different formats
- Edit and refine work

5. Real-Life Connection

- Improves overall writing ability
- Enhances expression

CH – COMPREHENSION

1. Knowledge & Understanding (LOTS)

- Understand complex passages

2. Application (MOTS)

- Answer inference-based questions

3. Analysis (HOTS)

- Analyze tone, purpose, and message

4. Skill-Based Learning (HOTS)

- Develop critical reading skills

5. Real-Life Connection

- Helps interpret real-world texts

CH – LETTER WRITING

1. Knowledge & Understanding (LOTS)

- Understand format and structure

2. Application (MOTS)

- Write letters with correct tone

3. Analysis (HOTS)

- Analyze purpose and audience

4. Skill-Based Learning (HOTS)

- Practice and edit letters

5. Real-Life Connection

- Builds formal communication skills

CH – GRAMMAR: TENSE

1. Knowledge & Understanding (LOTS)

- Identify different tenses

2. Application (MOTS)

- Use tenses correctly in sentences

3. Analysis (HOTS)

- Maintain consistency in writing

4. Skill-Based Learning (HOTS)

- Identify and correct errors

5. Real-Life Connection

- Improves clarity in communication

CH – DIRECT & INDIRECT SPEECH

1. Knowledge & Understanding (LOTS)

- Identify direct and indirect speech

2. Application (MOTS)

- Convert sentences correctly

3. Analysis (HOTS)

- Apply rules of tense and pronoun changes

4. Skill-Based Learning (HOTS)

- Practice transformations

5. Real-Life Connection

- Useful in reporting conversations

CH – VOCABULARY (SYNONYMS & ANTONYMS)

1. Knowledge & Understanding (LOTS)

- Identify synonyms and antonyms

2. Application (MOTS)

- Use them appropriately in sentences

3. Analysis (HOTS)

- Analyze word meaning based on context

4. Skill-Based Learning (HOTS)

- Practice vocabulary exercises
- Replace words with suitable alternatives

5. Real-Life Connection

- Enhances vocabulary and expression
- Improves accuracy and variety in language
