

**ENGLISH LANGUAGE
CLASS 6
SYLLABUS**

MID-TERM 1

APRIL-JUNE

Kinds of Sentences

1. Knowledge & Understanding (LOTS)

- Identify declarative, interrogative, imperative, and exclamatory sentences
- Understand punctuation marks used with each kind of sentence

2. Application (MOTS)

- Classify sentences based on purpose
- Use correct punctuation while writing different kinds of sentences

3. Analysis (HOTS)

- Differentiate between the four kinds of sentences
- Analyze how sentence type changes meaning and tone

4. Skill-Based Learning (HOTS)

- Sentence sorting activity
- Writing examples of each kind of sentence

5. Real-Life Connection

- Use correct sentence types in daily speaking and writing
- Improve clarity in communication

Transformation of Sentences

1. Knowledge & Understanding (LOTS)

- Understand how sentence forms can change without changing meaning
- Identify affirmative, negative, interrogative, and exclamatory transformations

2. Application (MOTS)

- Transform sentences correctly
- Apply grammar rules while changing sentence forms

3. Analysis (HOTS)

- Compare original and transformed sentences
- Analyze how structure changes while meaning remains same

4. Skill-Based Learning (HOTS)

- Worksheet practice on transformations
- Pair activity for sentence conversion

5. Real-Life Connection

- Helps improve grammar accuracy in writing
- Enhances sentence variety in expression

Subject and Predicate

1. Knowledge & Understanding (LOTS)

- Identify subject and predicate in a sentence
- Understand complete and simple subject/predicate

2. Application (MOTS)

- Break sentences into subject and predicate parts
- Form complete sentences using both parts

3. Analysis (HOTS)

- Compare incomplete and complete sentences
- Analyze how subject and predicate create meaning

4. Skill-Based Learning (HOTS)

- Human sentence game
- Sentence labeling exercises

5. Real-Life Connection

- Improves sentence construction skills
- Helps in writing grammatically correct sentences

Kinds of Nouns

1. Knowledge & Understanding (LOTS)

- Identify proper, common, collective, abstract, and material nouns
- Understand usage of each type of noun

2. Application (MOTS)

- Classify nouns from sentences and surroundings
- Use correct nouns in writing

3. Analysis (HOTS)

- Compare abstract and concrete nouns
- Differentiate between common and proper nouns

4. Skill-Based Learning (HOTS)

- Noun hunt activity
- Sorting nouns into categories

5. Real-Life Connection

- Helps in vocabulary building
- Improves speaking and writing precision

Comprehension

1. Knowledge & Understanding (LOTS)

- Read and understand unseen passages
- Identify main idea and supporting details

2. Application (MOTS)

- Answer questions based on the passage
- Use clues to understand difficult words

3. Analysis (HOTS)

- Infer meanings and hidden messages
- Distinguish facts from opinions

4. Skill-Based Learning (HOTS)

- Silent reading practice
- Question-answer exercises

5. Real-Life Connection

- Develops reading habits and understanding
- Improves critical thinking skills

Descriptive Composition

1. Knowledge & Understanding (LOTS)

- Understand features of descriptive writing
- Identify descriptive words and expressions

2. Application (MOTS)

- Write descriptions of people, places, and events
- Use adjectives and sensory details effectively

3. Analysis (HOTS)

- Compare simple and descriptive writing
- Analyze how details create vivid pictures

4. Skill-Based Learning (HOTS)

- Picture-based descriptive writing
- Vocabulary enrichment exercises

5. Real-Life Connection

- Helps in creative writing
- Improves observation and expression skills

HALF- YEARLY

JULY-SEPTEMBER

Noun – Number, Gender, Possession

1. Knowledge & Understanding (LOTS)

- Understand singular/plural forms, gender, and possessive nouns
- Identify rules for noun changes

2. Application (MOTS)

- Change nouns into plural and possessive forms
- Use correct gender forms in sentences

3. Analysis (HOTS)

- Compare regular and irregular noun changes
- Differentiate ownership and description

4. Skill-Based Learning (HOTS)

- Grammar drills
- Sentence correction activities

5. Real-Life Connection

- Improves accuracy in daily writing
- Builds correct grammar usage

Pronouns

1. Knowledge & Understanding (LOTS)

- Identify personal, possessive, demonstrative, and interrogative pronouns
- Understand pronoun usage

2. Application (MOTS)

- Replace nouns with suitable pronouns
- Use pronouns correctly in speech and writing

3. Analysis (HOTS)

- Compare nouns and pronouns
- Analyze pronoun reference in sentences

4. Skill-Based Learning (HOTS)

- Pronoun replacement activity
- Fill in the blanks practice

5. Real-Life Connection

- Makes speaking and writing smoother
- Avoids repetition in communication

Adjectives – Kinds and Degrees

1. Knowledge & Understanding (LOTS)

- Identify kinds of adjectives
- Understand positive, comparative, and superlative degrees

2. Application (MOTS)

- Use adjectives to describe nouns
- Change adjectives into correct degrees

3. Analysis (HOTS)

- Compare objects using adjectives
- Analyze adjective choice in writing

4. Skill-Based Learning (HOTS)

- Comparison chart activity
- Sentence writing using degrees

5. Real-Life Connection

- Improves descriptive speaking and writing
- Helps in making comparisons clearly

Articles

1. Knowledge & Understanding (LOTS)

- Understand the use of a, an, and the
- Identify definite and indefinite articles

2. Application (MOTS)

- Use correct articles in sentences
- Correct errors related to articles

3. Analysis (HOTS)

- Compare specific and general references
- Analyze article use in context

4. Skill-Based Learning (HOTS)

- Fill in the blanks exercises
- Article correction practice

5. Real-Life Connection

- Improves grammatical correctness
- Builds confidence in spoken English

Verbs – Kinds

1. Knowledge & Understanding (LOTS)

- Identify action, linking, helping, and main verbs
- Understand the role of verbs in sentence formation

2. Application (MOTS)

- Use correct verbs in sentences
- Recognize verbs from daily communication

3. Analysis (HOTS)

- Differentiate between helping and main verbs
- Compare action verbs and linking verbs

4. Skill-Based Learning (HOTS)

- Verb identification exercises
- Sentence formation activities

5. Real-Life Connection

- Improves sentence construction
- Strengthens spoken and written communication

Subject-Verb Agreement

1. Knowledge & Understanding (LOTS)

- Understand that the verb must agree with the subject
- Identify singular and plural subjects with correct verbs

2. Application (MOTS)

- Use suitable verbs according to the subject
- Correct subject-verb agreement errors

3. Analysis (HOTS)

- Compare singular and plural sentence structures
- Analyze common mistakes in agreement

4. Skill-Based Learning (HOTS)

- Error correction worksheets
- Matching subject and verb activities

5. Real-Life Connection

- Improves grammatical accuracy
- Builds confidence in formal writing

Narrative Composition

1. Knowledge & Understanding (LOTS)

- Understand the structure of a narrative composition
- Identify beginning, middle, and ending of a story

2. Application (MOTS)

- Write short stories with sequence and clarity
- Use proper events and characters in writing

3. Analysis (HOTS)

- Compare simple narration and detailed storytelling
- Analyze how events connect logically

4. Skill-Based Learning (HOTS)

- Story completion exercises
- Picture prompt writing

5. Real-Life Connection

- Enhances creativity and imagination
- Helps express experiences clearly

Informal Letter

1. Knowledge & Understanding (LOTS)

- Identify the format of an informal letter
- Understand purpose and friendly tone of personal letters

2. Application (MOTS)

- Write letters to friends and family
- Use correct format and suitable language

3. Analysis (HOTS)

- Compare formal and informal letters
- Analyze the importance of tone and structure

4. Skill-Based Learning (HOTS)

- Letter writing practice
- Peer checking of format and grammar

5. Real-Life Connection

- Improves personal communication skills
- Encourages thoughtful written expression

MID-TERM 2

OCTOBER -NOVEMBER

Tenses – Simple Present, Past, Future

1. Knowledge & Understanding (LOTS)

- Understand present, past, and future simple tenses
- Identify time expressions related to each tense

2. Application (MOTS)

- Use correct tense forms in sentences
- Describe daily routine, past events, and future plans

3. Analysis (HOTS)

- Compare actions happening in different times
- Analyze verb changes across tenses

4. Skill-Based Learning (HOTS)

- Tense chart activity
- Sentence transformation exercises

5. Real-Life Connection

- Helps in accurate speaking and writing
- Improves clarity of time reference

Continuous Tenses – Present, Past, Future

1. Knowledge & Understanding (LOTS)

- Identify actions that are continuing over time
- Understand forms of present, past, and future continuous tenses

2. Application (MOTS)

- Use continuous tenses correctly in writing
- Describe ongoing actions clearly

3. Analysis (HOTS)

- Compare simple and continuous tenses
- Analyze when continuous tense is more suitable

4. Skill-Based Learning (HOTS)

- Tense conversion practice
- Daily activity description exercises

5. Real-Life Connection

- Helps explain ongoing situations
- Strengthens practical grammar use

Perfect Tenses

1. Knowledge & Understanding (LOTS)

- Understand present, past, and future perfect tenses
- Identify completed actions in relation to time

2. Application (MOTS)

- Use perfect tenses in meaningful sentences
- Describe completed tasks and achievements

3. Analysis (HOTS)

- Compare perfect and continuous tenses
- Analyze time relationship in completed actions

4. Skill-Based Learning (HOTS)

- Timeline-based grammar activity
- Sentence completion exercises

5. Real-Life Connection

- Improves advanced grammar usage
 - Helps in structured communication
-

Words Often Confused

1. Knowledge & Understanding (LOTS)

- Identify commonly confused word pairs
- Understand differences in spelling and meaning

2. Application (MOTS)

- Use correct words in the right context
- Avoid common writing mistakes

3. Analysis (HOTS)

- Compare meanings of similar-looking words
- Analyze sentence context for correct usage

4. Skill-Based Learning (HOTS)

- Matching exercises
- Context-based sentence correction

5. Real-Life Connection

- Improves vocabulary accuracy
- Helps avoid misunderstandings in writing

Imaginative Composition

1. Knowledge & Understanding (LOTS)

- Understand creative and imaginative writing
- Identify ideas, characters, and settings in imaginative work

2. Application (MOTS)

- Write original stories and creative paragraphs
- Use imagination with proper sentence structure

3. Analysis (HOTS)

- Compare factual and imaginative writing
- Analyze how creativity improves expression

4. Skill-Based Learning (HOTS)

- “If I were...” writing activity
- Story starter exercises

5. Real-Life Connection

- Encourages original thinking
- Builds confidence in self-expression

FINAL ASSESSMENT

DECEMBER - FEBRUARY

Adverbs – Types

1. Knowledge & Understanding (LOTS)

- Identify adverbs of manner, place, time, and frequency
- Understand how adverbs modify verbs

2. Application (MOTS)

- Use suitable adverbs in sentences
- Improve sentence meaning with proper adverb choice

3. Analysis (HOTS)

- Compare adjectives and adverbs
- Analyze the effect of adverbs in writing

4. Skill-Based Learning (HOTS)

- Adverb hunt activity
- Sentence expansion exercises

5. Real-Life Connection

- Improves speaking fluency
- Makes writing more expressive

Prepositions

1. Knowledge & Understanding (LOTS)

- Identify common prepositions of time, place, and movement
- Understand their function in sentences

2. Application (MOTS)

- Use correct prepositions in daily writing
- Describe location and direction clearly

3. Analysis (HOTS)

- Compare similar prepositions like in/on/at
- Analyze sentence meaning through correct usage

4. Skill-Based Learning (HOTS)

- Classroom object activity
- Fill in the blanks exercises

5. Real-Life Connection

- Helps in giving directions and instructions
- Improves communication accuracy

Conjunctions

1. Knowledge & Understanding (LOTS)

- Identify joining words such as and, but, because, although
- Understand how conjunctions connect ideas

2. Application (MOTS)

- Join sentences using suitable conjunctions
- Improve sentence flow in writing

3. Analysis (HOTS)

- Compare coordinating and subordinating conjunctions
- Analyze relationship between connected ideas

4. Skill-Based Learning (HOTS)

- Sentence joining activity

- Conjunction worksheets

5. Real-Life Connection

- Makes communication smoother
- Helps in expressing complete thoughts clearly

Active and Passive Voice

1. Knowledge & Understanding (LOTS)

- Understand the difference between active and passive voice
- Identify subject focus in both forms

2. Application (MOTS)

- Change active sentences into passive voice
- Use correct tense and structure

3. Analysis (HOTS)

- Compare focus of action in both voices
- Analyze where passive voice is more suitable

4. Skill-Based Learning (HOTS)

- Transformation exercises
- Group practice on sentence conversion

5. Real-Life Connection

- Improves grammar in formal writing
- Helps in understanding textbooks and reports

Direct and Indirect Speech

1. Knowledge & Understanding (LOTS)

- Identify direct and reported speech
- Understand punctuation and tense changes

2. Application (MOTS)

- Convert direct speech into indirect speech
- Use reporting verbs correctly

3. Analysis (HOTS)

- Compare spoken and reported statements
- Analyze tense and pronoun changes

4. Skill-Based Learning (HOTS)

- Dialogue conversion activity
- Speaking to reporting exercises

5. Real-Life Connection

- Helps in reporting conversations clearly
- Improves listening and writing skills

Synonyms and Antonyms

1. Knowledge & Understanding (LOTS)

- Identify words with similar and opposite meanings
- Understand vocabulary relationships

2. Application (MOTS)

- Use synonyms and antonyms in sentences
- Improve vocabulary choice in writing

3. Analysis (HOTS)

- Compare shades of meaning between similar words
- Analyze word choice for better expression

4. Skill-Based Learning (HOTS)

- Vocabulary matching games
- Word replacement exercises

5. Real-Life Connection

- Enhances vocabulary richness
- Improves reading and writing confidence

Picture Composition

1. Knowledge & Understanding (LOTS)

- Observe and understand details in a picture
- Identify characters, actions, and setting

2. Application (MOTS)

- Write meaningful sentences based on a picture
- Arrange ideas in logical sequence

3. Analysis (HOTS)

- Compare observation and imagination in writing
- Analyze picture details to form complete ideas

4. Skill-Based Learning (HOTS)

- Draw and describe activity
- Group discussion on picture interpretation

5. Real-Life Connection

- Improves observation and writing skills
- Builds creativity and confidence in expression
