

ASTROPATHSHALA- A STEM LEARNING PROGRAM

Dear Parents,

Based on the growing importance of Space and Technology, and to nurture the all-round development of your child, St. Joseph's College is introducing "Astropathshala," a comprehensive STEM learning and Space Education program. This innovative program will become a compulsory component of the curriculum for students in grades 1 to 8.

Students will learn about space education and technologies, in the 30 workshops . All the workshops will be conducted in the Astro-Pathshala lab in the school time only . The enrolment fee is 2999/- for the entire year. Fill the registration form and submit the fee in the given astroverse account and register your child.

Note: Read all the instructions written on the form very carefully.
