

St. John's Sports Day - 2024

An Exhibition of Athleticism and Camaraderie!!!!

St. John's High School organized its Annual Senior School Sports Day on 9th November 2024. The esteemed Chief Guest, Mr. Manish Tewari, MP Chandigarh graced the occasion and inspired students with his words of encouragement, emphasizing the importance of perseverance and unity in sports and life.

The day featured an action-packed lineup of events which included Track and Field events, Equestrian Display and Shooting and Archery demonstrations. The NCC and class contingents displayed their marching skills setting a tone of discipline and pride.

The Sports Day was made even more special with the presence of the alumni from the Silver and Golden Jubilee batches, who enthusiastically joined the students in a symbolic march, rekindling old memories and inspiring the present young generation.

A special race run alongside the Johnnians was by the students of Vatika, GRIID (Govt. Rehabilitation Institution for the Intellectually Disabled) and Sarvani.

All the house teams competed with zeal for top honours, displaying speed, endurance and teamwork.

The vibrant class drills, mass drill and the four human pyramids, exemplified the strength of teamwork and the students' commitment to collective excellence.

Our two comperes, Mr. Gurmit Singh Sahni & Ms. Sumel Chawla carried the event with grace, charisma and perfect coordination ensuring seamless transition between segments, thereby keeping the audience captivated throughout.

Honouring our esteemed judges who facilitated the various judgements for the event !!
