Notice to Parents of Class X Students

Dear Parents & Guardians

This is to inform you that many Class X students do not attend school regularly. With the HSLC Examination 2025-26 approaching in January, it is important that all students attend classes daily. Some subjects are yet to be completed, and for the completed ones, revision sessions and weekly tests are being conducted. These are essential for the students' preparation.

Attendance is mandatory for all Class X students until the school announces study leave. If a student is absent without prior notice or a valid leave application, their admit card for the board exams will not be issued. This is in line with the school's rules and the requirement for at least 75% attendance for eligibility to write the exam.

We request your cooperation to ensure your child attends school regularly from tomorrow onwards. This is crucial for their success in the examinations.

Sincerely,

Fr. Prakash Dhanwar
Principal
