

SUMMER HOLIDAY HOMEWORK (2025-26)

CLASS – VII

ENGLISH

1. Write an **original poem** (at least 12 lines) about a *summer memory, a dream, or something you love*. Create a **poster** for your poem: add drawings, colors, or magazine cut-outs to make it visually appealing.
2. Choose a **novel or storybook** to read over the holidays. Describe your **favourite character** from your chosen book and why do you like them. Write a **summary** of the story in your own words (100 -150 words).
3. **Find 10 interesting new words** from your reading. Use each word in your own sentence.
4. Practice one page of **cursive writing daily**.
5. **Learn** all the work done in the English notebook and prepare for P.A. 1.
6. **6. Learn** antonyms and synonyms and do the exercise in the book.

Submission Guidelines

- Present your work in a neatly decorated folder.
- Use colors, drawings, and creativity throughout.
- You may use recycled materials for your art projects.

Bring your completed homework on the first day after the holidays

MATHEMATICS

1. Learn and Write tables 11 to 25.
2. Google the "name of the mathematicians who have got the noble prize". Write the name of any 5 mathematicians from the list and also mention the work for which they've got the noble prize.
4. Download and watch the movie "The man who knew Infinity". Write the 10 things that you liked the most. Write two ideas which inspired you to study Mathematics.
5. Revise Chapter 1 (Integers) and Chapter 2 (Fractions and Decimals). Be ready for Periodic Assessment 1.
6. Make a project or working model on any topic of your choice from book like fractions, decimals, Integers, Data handling etc.
7. Solve the attached worksheet in separate notebook.
