

Steps to Open the Class test Sheet in e-Care Pro App. (Parent's Panel)

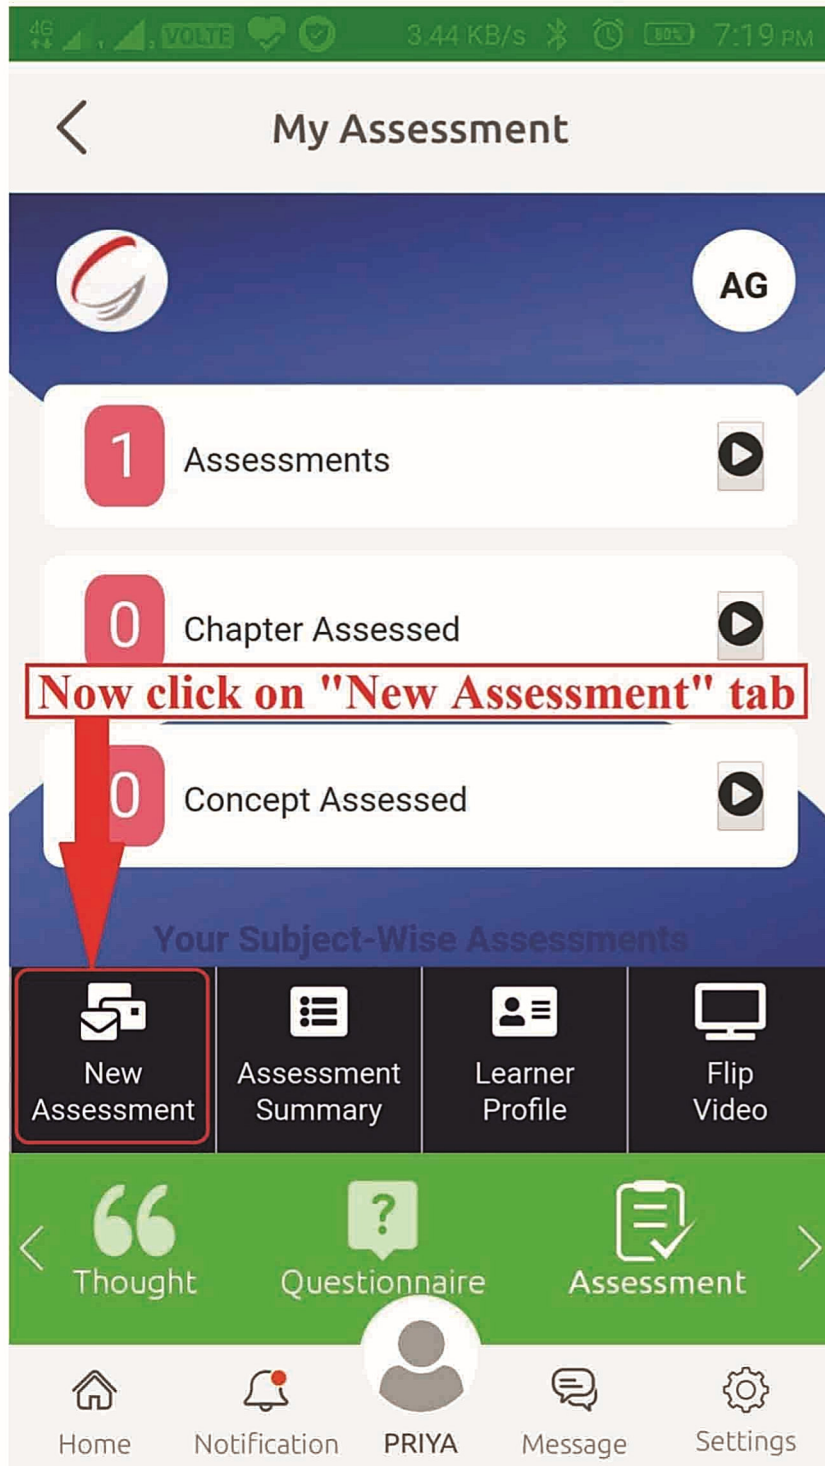

1. Go to Your e-Care App and scroll the green panel to the left and click on the "Assessment" tab. The screen given below will appear.

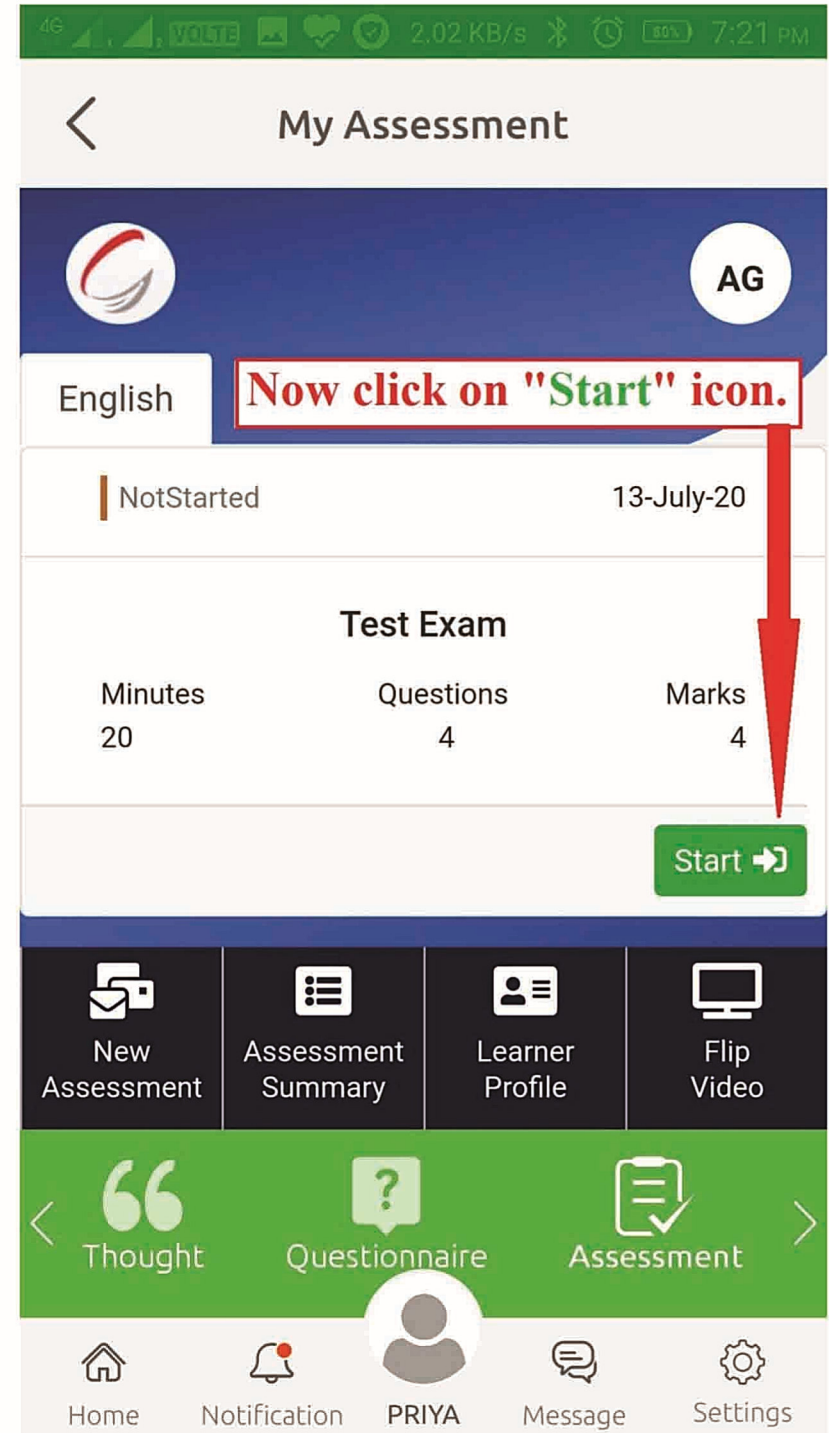

2. Here you will find the "Assessment" tab in the end.

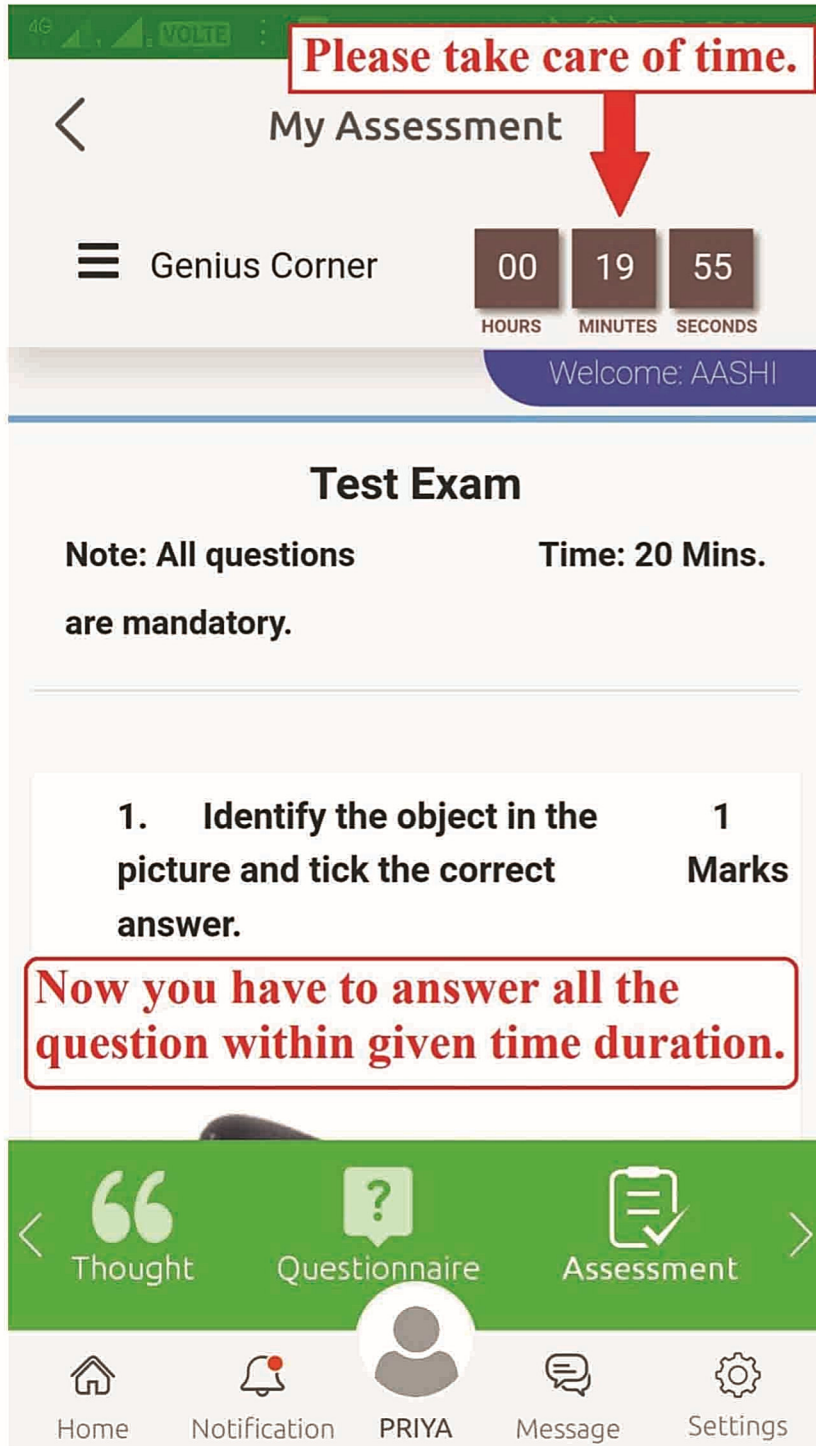

3. Now click on the "New Assessment" tab as shown below in the image:-

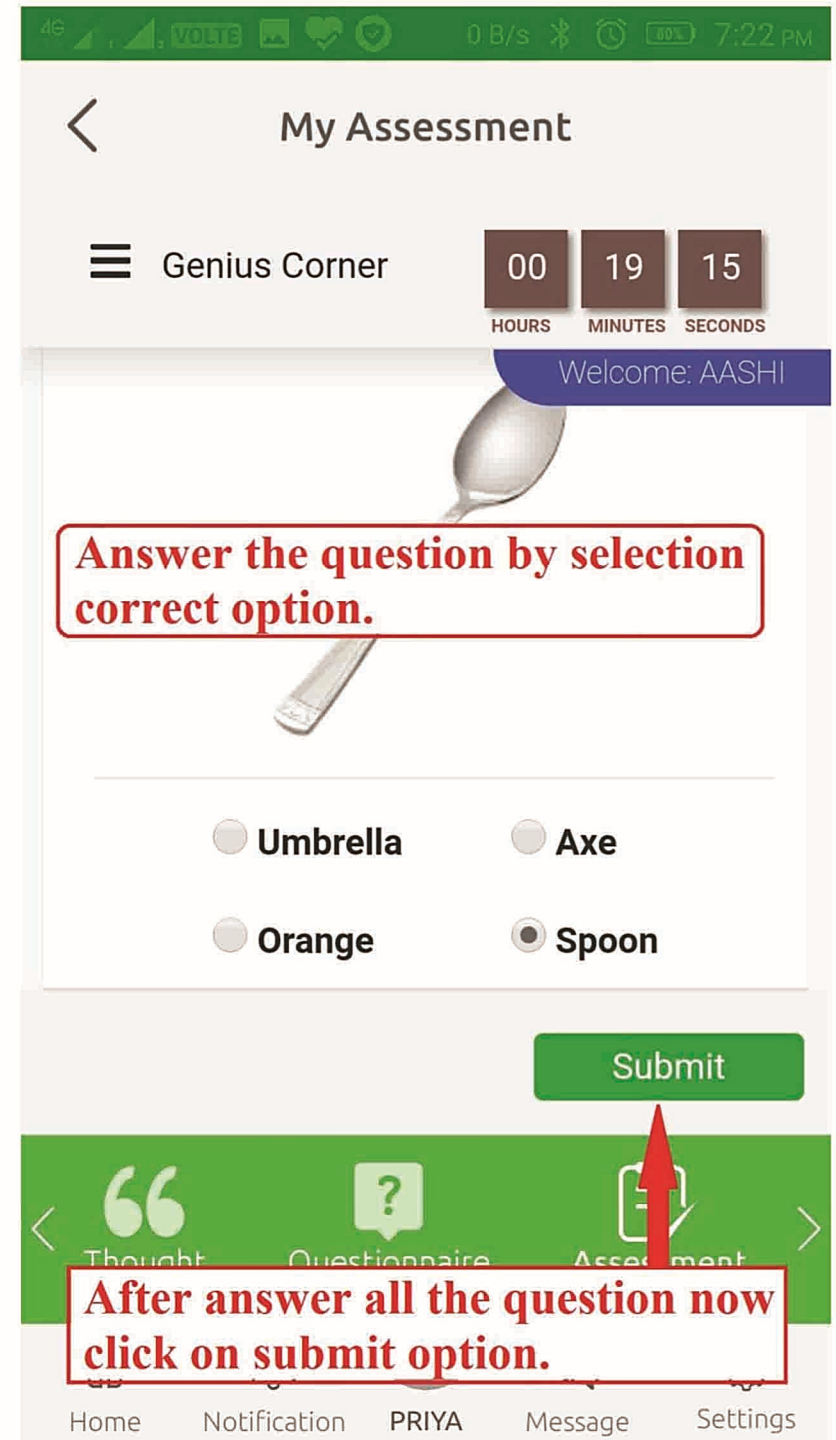

4. Here you will find Class test link what is assigned to you today. You have to click on Start button.

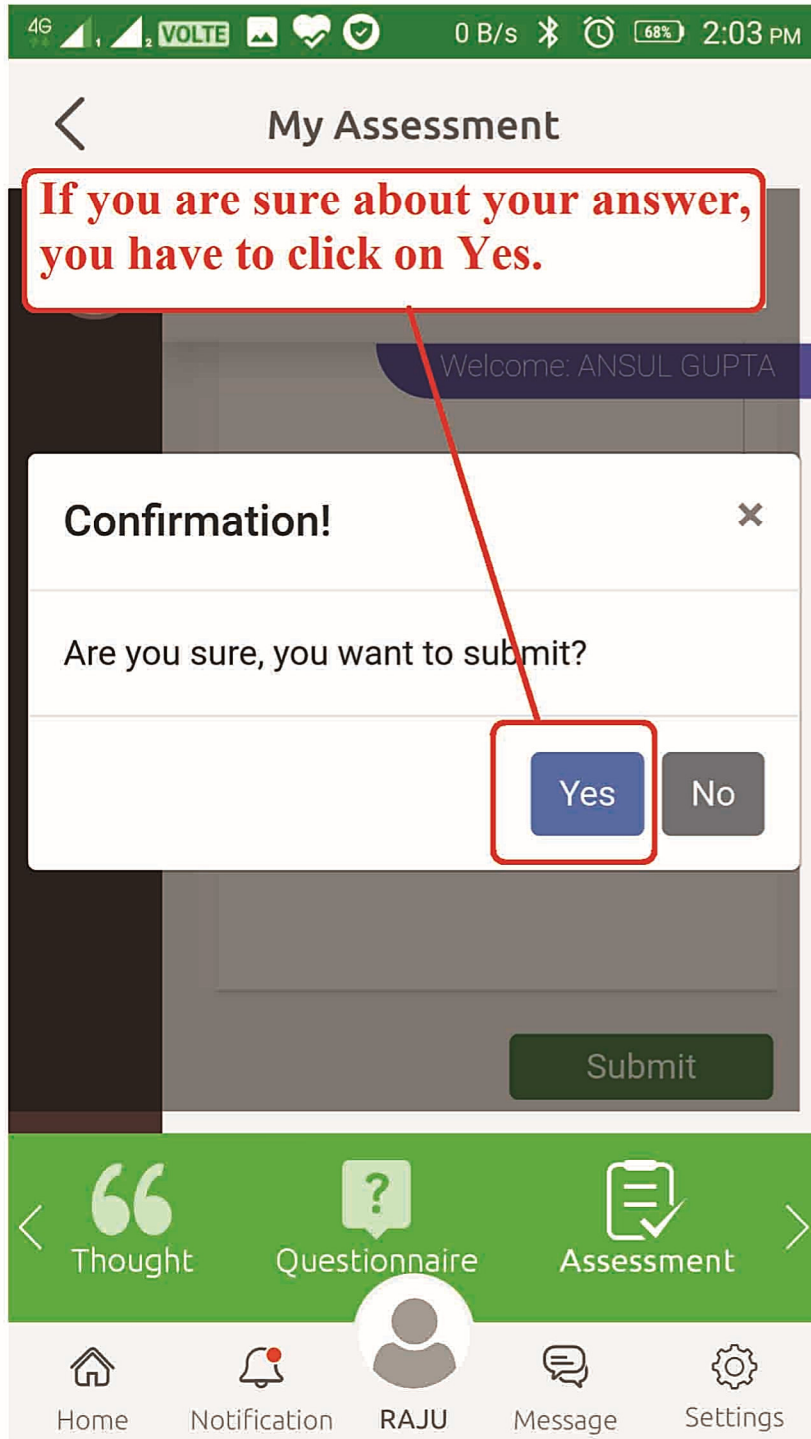

5. Your time will start and you can see countdown in top. Now you have to answer the all question within given time duration.

6. After answering all questions, you have to click on Submit button.

7. If you are sure about your answer what you have given, you have to click on 'Yes'.

8. You will get a pop up message about the successful submission of assessment and you have to click on OK.
