Navigators of Aspiration

At St. Mary's Convent Inter College, the month of September blossomed under the inspiring theme-Navigators of Aspiration- inviting young minds to embark on exhilarating journeys of dreams, discovery and determination. It reminded them that aspiration coupled with effort paves pathways to fulfilment.

Challenge of the Month- Stay disciplined and avoid distractions that hinder progress.

As part of our school's thematic focus, the Challenge of the Month invited students to embrace a vital habit crucial for success: Stay Disciplined, Defy Distractions. Students reflected on personal habits identifying areas where discipline could enhance productivity.

Little Learners on Track!

The students of the Prep class enthusiastically formed a lively human train and walked together along a zig-zag path. This playful activity not only brought smiles and laughter but also helped the young ones experience the true spirit of teamwork, coordination, and mutual support.

Little Creators, Big Masterpieces

The pre-primary students embarked on a joyous journey of Socially Useful Productive Work (SUPW), transforming their boundless imagination into a dazzling showcase of imagination. It was a delightful spectacle where little hands crafted, coloured and conjured wonders that sparkled with innocence and innovation.

Diversity of Expression

Students of Classes I to III captivated everyone with their heartfelt voices and confidence in the Hindi Poetry Recitation Competition. The event not only showcased their Hindi language skills but also highlighted their creative expression and cultural connection.

Journey of Flavours

In a burst of culinary curiosity, the students of Classes IV and V dove into the Food Without Flame adventure, blending freshness, nutrition and imagination into edible masterpieces. This playful exploration celebrated healthy eating while igniting their creative spark.

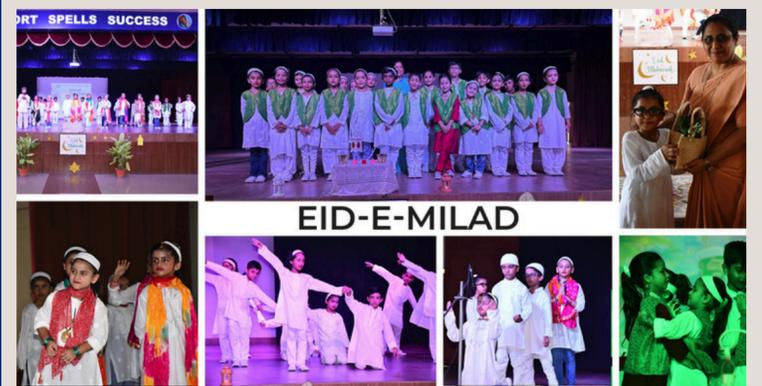

Sharing Warmth and Hope in Times of Crisis

In a heartfelt gesture of solidarity with the victims of the recent floods in Punjab, the SMCIC family came together to extend warmth and care. Bedsheets, blankets, and mosquito nets were given to them by the school management, students, and teachers, with a hope that it will bring some relief in the midst of this crisis.

Eid-e-Milad Prayer Assembly

A special prayer assembly on the occasion of Eid-e-Milad was conducted with devotion and reverence. Students of Class II A led the program for the Primary Section, while Class VII A beautifully conducted the assembly for the Senior Section. Through soulful prayers, hymns, and reflections, the assemblies highlighted the values of peace, compassion, and unity that this festival stands for.

Teacher's Day Celebration

In a burst of culinary curiosity, the students of Classes IV and V dove into the Food Without Flame adventure, blending freshness, nutrition and imagination into edible masterpieces. This playful exploration celebrated healthy eating while igniting their creative spark.

Rooted in Values, Growing with Vision

Students of Classes IX to XII enthusiastically participated in the Vision Tree Activity. With creativity and insight, they placed core values on the Tree of Life, symbolizing how these guiding principles can nurture growth and help them attain self-awareness and personal development.

As we conclude this thematic month with smiles radiating pride and promise, the young Navigators vowed to carry forward the spark of aspiration into their daily pursuits- nurturing dreams, supporting peers, and steering their collective journey with hope and determination.
