Theme of the month July- Growing Together in Purpose

At St. Mary's Convent Inter College, we believe that true growth happens when we learn, support and move forward together. The theme "Growing Together in Purpose" inspired our students to work with commitment, kindness and a shared sense of responsibility, reminding us that every small effort contributes to a brighter future.

Challenge of the Month- Encourage or help one person in their learning and work.

The Challenge encouraged students to extend a helping hand by supporting someone in their learning or work. Through this simple act of kindness, they discovered that sharing knowledge and offering support strengthens both the giver and the receiver.

Echoes of Confidence

At The Pre-Primary students showcased remarkable confidence and enthusiasm in the Eloquence Competition, taking their first steps towards becoming expressive and confident communicators.

Verses in Bloom

The students of Classes I to III brought poetry to life through expressive recitations, nurturing a love for language and the beauty of verse.

Wearable Wonders

The students of Classes IV-V transformed their ideas into unique creations, celebrating imagination, self-expression, and artistic flair.

Voices United in Harmony

Students of Classes VI to VIII captivated the audience through expressive choral recitations on the theme "Serving with One Heart."

Nature on Every Canvas

Students of Classes VI to XII transformed blank canvases into vibrant masterpieces celebrating the beauty and importance of nature.

Characters Brought to Life

Participants impressed the audience with powerful monologues, confidently portraying renowned literary and historical characters.

Constellations of Service Shine Bright

The Investiture Ceremony, themed "Constellations of Service," marked the formal induction of the newly elected Student Council into leadership.

Walking the Gandhian Path

Class VIII A and the USM members presented an inspiring assembly on "Embracing the Ideals of Mahatma Gandhi," celebrating truth, peace, and compassion.

Safety Begins with Awareness

An interactive child safety awareness session empowered students of Classes III-VIII with essential life skills, encouraging them to recognise unsafe situations, make responsible choices, and seek help whenever needed.

Glory on the Kho-Kho Field

Our young athletes showcased remarkable speed, teamwork, and determination at the CISCE UP Zonal Kho-Kho Tournament.

Striking Success on the Carrom Board

Students from the Sub-Junior, Junior, and Senior categories displayed exceptional precision, focus, and strategic thinking in the Inter-House Carrom Competition.

Courts Alive with Energy

The basketball courts echoed with enthusiasm as students competed in thrilling matches across Senior, Junior, and Sub-Junior categories.

July was a month of meaningful learning and joyful participation, where every initiative encouraged students to discover their potential, embrace new challenges, and learn with enthusiasm. The month beautifully reflected the spirit of purposeful education, fostering resilience, compassion, teamwork, and a lifelong love for learning.
