## Environmental Studies

### 1. "My Green Promise"

Make a colourful poster on the topic "Save Trees" to understand the importance of protecting the environment and keeping the Earth clean and green.

Instructions:

Use an A4 sheet or half chart paper.

Draw or paste pictures.

You may cut and paste pictures from old magazines, newspapers, or old books.

Note: Children will display the chart paper on the bulletin board in the classroom.

### 1. Healthy Food Activity

In your scrapbook, paste or draw pictures of healthy food items such as:

Fruits

Vegetables

### 1. Plant a Seed Project

Children will plant a seed at home (mustard, beans, etc.) and take care of it.

When the school reopens, children will bring the plant to school and speak a few lines about:

Its growth

How they cared for it

They will share their experience with their classmates.

## Mathematics

### 1. Learn the tables from 2 – 5

### 2. Practice all the exercises which are given in your textbook and notebook .

### 3. Observe the Kitchen

Children look around the kitchen and choose different items like:

Spoons

Plates

Cups

Bottles

Fruits and vegetables

Step 2: Count the Objects

Children count the items and write them neatly in a notebook.

Example:

Kitchen Item. Number
