

# SUMMER HOLIDAY ASSIGNMENTS - 2025-26

## Class – 3

Subject	Holiday Homework
English Language	<p>1) Title: "Describing the World with Adjectives!"</p> <p><b><u>Instructions:</u></b></p> <p>i) On the first page of the scrapbook cut and paste 6 coloured pictures from old magazines, newspapers, pamphlets, or wrappers.</p> <p>ii) Below each picture, write one sentence describing it using at least one adjective. Underline or highlight the adjective in each sentence.</p> <p>iii) Decorate the page creatively – use borders, stickers, or colorful headings to make it attractive</p> <p>2) Complete the exercise of Pronouns in the Language Book.</p>
English Literature	<p>1) Do one page cursive writing everyday in your cursive writing book.</p> <p><b><u>2) Character Scrapbook</u></b></p> <p>Story- The Night the Elves Came (<b>Page 39</b>)</p> <p>On one page of the same Scrapbook-</p> <p>i) Draw your favourite character from the above story.</p> <p>ii) Write 3 to 4 sentences on why you like the character.</p> <p>3) Make a dictionary using your own creativity. Write 50 words along with the meaning from the chapters coming in the First Terminal Examination.</p>
Mathematics	<p>1) '<b><u>Multiplication flower activity</u></b>' to be done in the same scrapbook .</p> <p>i. Draw or paste five flowers on one page of your scrapbook with one number in the centre.(eg. 11)</p> <p>ii. □ Around the centre, draw 10 petals.</p> <p>iii. In each petal write a multiplication fact using the centre number. (Example is given below)</p> <div data-bbox="695 1706 917 1917" data-label="Image"> <p>The image shows a hand-drawn flower used for a multiplication activity. The center is a yellow circle with the text '12x'. Surrounding the center are ten purple petals. Each petal contains a multiplication fact where 12 is multiplied by a number from 1 to 10. The facts are: 12x1=12, 12x2=24, 12x3=36, 12x4=48, 12x5=60, 12x6=72, 12x7=84, 12x8=96, 12x9=108, and 12x10=120.</p> </div> <p>2) <b>Make a Scenery</b> in your scrapbook using cutouts of the following shapes- Square, Rectangle, Triangle and Circle.</p>

Science	<p><b><u>Science Project-</u></b></p> <p>1) Collect leaves of different shapes and sizes. Place them one by one carefully between pages of an old newspaper. Now, place the newspaper with the leaves under a heavy object. After few days, open the newspaper and observe the changes in the leaves. The leaves would have dried and lost their fresh, green colour. Remove the leaves carefully, paste them in your scrapbook and label them.</p> <p>2) Make the parts of a plant in your scrapbook using your own creativity. (Refer to the picture given)</p> 
Social Studies	<p>1) <b><u>Activity-</u></b> On one page of the scrapbook paste an outline map of India, spread glue and then sprinkle –</p> <ul style="list-style-type: none"> <li>* green glitter to mark the northern plains</li> <li>* orange glitter for sand</li> <li>* golden glitter for mountains.</li> </ul> <p>Refer to page 250 in your semester 1 book.</p> <p>2) Take selfies of the places where you have visited in your summer vacation. Stick 5 pictures in the scrapbook and write few lines about it.</p>
Hindi	<p>1. एक पतली नोटबुक में बीस पृष्ठ का हिन्दी लेखन करें।</p> <p>2. A3 शीट पर बादल कविता लिखें और कविता से संबंधित चित्र भी बनाएं।</p> <p>3. परख पुस्तक में ये पृष्ठ करें (पृष्ठ क्रमांक 3,4,5,6,7)</p> <p>4. आपके परिवार में जो स्त्रीलिंग हैं और जो पुल्लिंग हैं, उनकी तसवीर चिपकार उनके नाम भी लिखिए।(इसे स्ट्रैपबुक में करें)</p>
