

Holiday Homework for Class 3

- * **Practice English cursive:** writing-one page every day.
- * **Practice Hindi writing:** one page everyday (take dictation to improve on your spellings too)
- * **Read lessons from the book:** Rise And Shine (Semester 1) of English Literature, Science and Social Studies.
- * **In Mathematics:** Practise sums in Addition and Multiplication.

Write number names from 1000 -
9999. Learn multiplication tables
from 2 to 5.

***Practice all the exercises of the lessons from the textbook and the notebook which you have already learnt in all the subjects.**

***In Hindi** - learn the poems -Mera Pyara Desh Mahan(pg9)

Gilhari (pg26)

Aik tha Raju Aik tha Kaju(pg51)

Learn all the exercises from the notebook and the text book.

* **In Computer Studies** learn to differentiate between Hardware and Software.

Names of Operating system, types of software and categorization of Input and Output devices.

* **Poster Making Activity:**

Follow the given steps to make a poster on 'Education' -

1. Take a coloured paper or a white Art sheet.
2. On the top, write "Importance of Education".
3. Draw a scene of Online Teaching.
4. Then, write two sentences on Education.

* **'Charity Begins At Home'**. By keeping this thought in mind save money in your piggy bank which you have made in S.U.P.W. and at the end of the next month help the needy with your collected money in the piggy bank.

Learn to make a mask and use it
