Dear Parents,

An Exciting Event for the stress management and bright future of our Students lies ahead. These Webinars would guide our students from classes IX to XII to start thinking and working on the Courses, Campuses, and Careers that they would like to pursue in the future and also wisely study the options which lie before them.

Dr. Amrita Dass Founder Director of the Institute for Career Studies (ICS Career GPS) has Consented to conduct Webinars on the 5th August 2021 for students of Classes IX and X and 7th August 2021 for Classes XI and XII.

We request you to please motivate your students to participate actively in these Webinars. There are NO CHARGES for these Webinars.

It will be extremely beneficial for the students to download the App, ICS Career GPS for an immersive experience. The students can take FREE CAREER ASSESSMENT TEST after downloading the App.

The links to download the app are -

Android Link:

This will definitely enable them to start thinking about their ideal subjects, courses, campuses and careers, thus making the webinars more meaningful.

The Link to join the Live Session will be shared soon. I humbly request you to share the link with your students as soon as you receive it.

Your Cooperation and active participation will be highly appreciated.

Warm regards

Yours Sincerely

Sr. Jyoti CJ
