

# STELLA MARIS CONVENT SECONDARY SCHOOL, NARAYANPUR

**Circular No. 5 SMCS/10/2024**

**Dated: 15.10.2024**

**Dear Parents/Guardians**

As your child stands on the threshold of Third Periodic Test, I want to take a moment to remind you that this is not just a test of your child's knowledge, but an opportunity to demonstrate the hard work and dedication your child has put in throughout the months.

Let your child believe in oneself and his/her abilities. Remember that success is not only defined by grades but by the effort and perseverance s/he shows in preparing for and facing these challenges. Take each exam as a step toward your future goals and personal growth. Stay calm, stay focused, and trust the process.

Exams are important, but they are just one part of the journey. Your child has all the potential to succeed, and we Sisters and Facilitators are proud of how far your child has come.

I wish you all the very best. May you perform to the best of your abilities and continue to strive for excellence in all that your child does.
