

STELLA MARIS CONVENT SECONDARY SCHOOL, NARAYANPUR

Circular No. SMCS/09/2023

Dated: 30.11.2023

Dear Parents/Guardians/Students

Successful people know what they want, and have a burning desire to possess it. They are focused on the achievement of their goals. Success is nothing more than a predetermined plan. It has to be implemented successfully over a period of time. You can achieve any goal you set your heart on. The condition is that the aim should be clear. You have to match it, pursuing with your unfailing persistence long enough.

The first part of your focus on results should be to work out how much your time costs. This will help you to assess if you are spending your time profitably.
