Circular No. 1 SMCS/01/2025

Dated: 23.01.2025

## Dear Parents/Guardians

Examinations are as much a testing time for you as they are for your children. A little bit of planning, concerted efforts and proper guidance will make the much needed difference in your ward's performance. Spare sometime for your child, out of your busy schedule to help him/her to prepare well. Your presence, support, encouragement and love will help him/her to think, reason and understand the subject and do better. The care and love you shower on them and the decision you make for them will help them to succeed in the forthcoming Board exam and will stand by them for the rest of their lives. Be a great source of inspiration and a model to your children.

## To the Students

It is now time to work hard and put up your best efforts so that your performance will help you to score well in the board exam. You all are an ensemble of energy, eagerness, curiosity, etc. If you channelise this energy properly you could work wonders. Many young students like you have made a prominent mark in the world in the field of art, science and literature. These students have proved themselves to be achievers. It was their sheer determination and hard work besides their intelligence, that made them successful.
