

STELLA MARIS CONVENT SECONDARY SCHOOL, NARAYANPUR

Circular No. SMCS/03/2024

Date: 21.02.2024

Dear Parents/Guardians

It is said, "The development of any Society depends upon the dynamic, futuristic and challenging nature of its Educational System that creates professionals for different fields of the society." Thus "The mind of a child is like a blank page as a mentor we need to embark it with the pen of hard work, the ink of knowledge and create a sketch which be everlasting in the child's Life".

While academic excellence is our major thrust, the school is also devoted to prepare the students for life, groom them to face the challenges of tomorrow, and encourage them to be socially relevant. We constantly endeavour to always live up to this ideology and inculcate this into everything we do, with the aim that we will be able to ensure that the children grow to their full potential, while constantly being groomed to pass out as men and women competent to bear responsibility in all walks of life.

You parents are the most strengthening power in moulding the future of children. Your consistent support empowers us to do more and more. I pay my gratitude to you for your faith in us.

I, would like to conclude this message with the words of Mahatma Gandhi: "The best way to find yourself is to lose yourself in the service of others".

Dear Students

Terminal Examinations are about to start in a few days. I wish you the very Best. It is time to discharge your duties as a student. Study well and be the pride of our school in the future.
