

STELLA MARIS CONVENT SECONDARY SCHOOL

NARAYANPUR, SULTANPUR – 228 001

Circular No. SMCS/01/2024

Dated: 08 February 2024

My Dear Students

Make things happen!

We set goals on a number of different levels. For effective and result – oriented goal setting, you have to first decide what you want to do with your life and which significant goals you want to achieve. The next step is to break these down into the smallest possible targets, that you must accomplish for achieving your lifetime goals. Setting up this structure of plans, makes it easier to achieve your biggest life goal, breaking it down into easily to achievable and less forbidding steps. Establishing lifetime goals gives you the overall perspective that has an effect on all other facets of your decision making. Only after your plan is finalized, you should start working, towards achieving it.

To Succeed in life and to be a winner:

Have

**Crystal Clear Goals,
Belief in God and Yourself,
Strong Will-power and Determination
Hard work and Positive Attitude,
Perseverance till you Reach the Goal.**

Don't forget that God is a God who loves and cares for you. He won't let you carry your fears and worries alone. He is with you. Have a realistic outlook. Don't dream of excelling in everything. Don't simply chase after success, let success run after you.

BEST WISHES and GOD BLESS YOU
