

Circular No. SMCS/07/2023

Dated: 04.08.2023

Dear Students

Believe in yourself and work hard towards your goal. Have a positive attitude, success will slither and reach you.

Your mind is like a bank; so, deposit with a positive attitude to withdraw SUCCESS.

You have a successful life to behold.

So, detach yourself from:

Aimlessness, Boredom, Comfort, Delusion, Fear

And **attach yourself** to:

Hard work, Determination, Perseverance

Progress is made through your willingness to persist in doing the small actions that no one else sees, but that truly generates results.

You have the potential to touch the silver lining. Cross the first milestone of your life with DARING.

Devote your time, focus yourself towards achieving your GOAL!!

Success is yours!!

As William A. Ward quoted,

“Recipe for success:

Study while others are sleeping;

Work while others are loafing;

Prepare while others are playing;

And Dream while others are wishing”

All the best!
