Students will have the opportunity to compete in track and field events like 100mts, 200mts, relay race, long jump, high jump etc, as well as have fun with their peers in fun filled novelty items. Drills and formations will showcase their synchronization and teamwork.

The cost of the sports program is Rs. 350, and this amount will partly cover the cost of costumes, equipment, prizes, sound systems to name a few. Kindly send the exact amount in a sealed envelope with your ward's name, class and section clearly mentioned, to the respective class teachers by 4th December 2023.
