NOTICE

Dear Parents,

I would like to provide you with some information about the Parent ID card. A parent ID card issued from school serves as a **crucial tool for identification and security within the school campus**. It helps school staff quickly and easily identify parents. Also, it enhances security by preventing unauthorised individuals from accessing the premises. The card is also a must for picking up children in between the school hours.

So, all the parents who visit the school during school hours are required to show parent ID card at the gate.

Regards

Principal
