

Children's Day Celebrations

Childhood is a world filled with love, joy, innocence, purity, colourful balloons, cheerful cartoons, sweet treats, music, dance, and endless fun. To celebrate this magical stage of life, St. Nursery School showered affection on its little learners by organising a Fancy Dress Competition along with an Art & Colouring Competition.

The children were captivated by the delightful cartoon character cutouts, which seemed to be waiting eagerly to welcome them on this special day. The pink and blue balloons added a burst of colour, perfectly complementing the bright, happy smiles of our little ones.

In line with the themes of the Fancy Dress Competition, the participants came dressed as "I Am a Good Habit", "Stationery Items", "Means of Transport" and "Things in the Classroom." Their vibrant costumes and confident stage presence charmed the audience and added sparkle to the celebration.

An Art and Colouring Competition was organised for students from LKG to Class II. The children thoroughly enjoyed drawing their favourite cartoons and toys while showcasing their creativity. The winners were awarded by Mrs. Shikha Chhabra, who also judged the event and shared encouraging words with all the participants.
