Doing things right is often the first step in creating meaningful change, and recognizing such efforts serves as a powerful motivator for others to embark on their own journey towards excellence. Education Today, a pioneering platform dedicated to celebrating excellence in education, has consistently acknowledged institutions that are shaping the leaders of tomorrow.

On 10<sup>th</sup> December 2024, it was with great humility and gratitude that **St. Nursery School** was honoured with the prestigious title of **Rank No. 1 in Dehradun and in Uttarakhand** and **Rank No. 7 in India** by **Education Today**. This recognition is not only a moment of pride for our devoted staff, but also a reflection of the trust and confidence parents place in us when they make the conscientious choice of selecting the right educational environment for their children.

This award is not merely an accomplishment, but a testament to the collective dedication of our educators, students, and families. It serves as a reminder of the profound impact that a nurturing environment and high-quality education can have on young minds, and inspires us to continue striving for excellence in every aspect of our work. We are deeply grateful for this recognition and remain committed to our mission of fostering curiosity, creativity, and leadership in the generations to come.
