

Happy Mother's Day!!

To honour our dear mothers and celebrate the beautiful bond between a mother and child, a special Mother's Day activity was organised for the students of Classes UKG, I and II at St. Nursery School. The young learners enthusiastically participated in a non-fire cooking activity, where their tiny hands lovingly rolled balls of rosy delight as a token of love for their mothers.

Students of the other classes also expressed their affection and gratitude by creating beautiful craft items to celebrate God's most precious gift to every living being — a mother. Adding more colour to the celebration, the little learners threaded colourful pasta pieces to design lovely necklaces for their beloved mothers.

The celebration became even more heartwarming as students of all classes recited rhymes and shared sweet expressions of gratitude for their mothers on this special occasion. The activities filled the school with joy, love and appreciation, making the day truly memorable for everyone.
