## Junoon Fest 2026

The Doon World School Junoon Fest 2026 provided students from various schools with a wonderful platform to participate in diverse competitive activities and showcase their talents.

**Pranika** of class **LKG** from **St. Nursery School** participated in the Ramp Walk competition and secured the **second position**, bringing great pride to the school. The consistent grooming and nurturing of the little ones at school truly bore fruit through her remarkable achievement. Her confident presence and graceful performance lit up the stage and made the event a memorable experience for everyone present.

Congratulations, Pranika, on this wonderful accomplishment!
