

## Grand Parent's Day

Grandparents and grandchildren share a bond of unconditional love. To strengthen these bonds at an early age, 'Grandparents Day' was celebrated in St. Nursery School on 8th September, 2025.

The students of Class Play Group, danced on the song 'Dadi Amma, Dadi Amma maan jao'. Their cute actions and expressions won the hearts of the audience. Students of all classes made special craft items for their grandparents to show their love and affection for them.
