

**SOMERVILLE SCHOOL NOIDA**  
**CLASS V (2023-2024)**  
**HOLIDAY HOMEWORK**

Name \_\_\_\_\_ Roll No. \_\_\_\_\_ Section \_\_\_\_\_

**Summer vacation is the best time of the year to have loads of fun with friends and family. It is a good time to explore new places and watch fun-filled shows on television. These days are precious and invaluable, there is a lot more to do to make the vacation interesting and meaningful.**

**Ways to make the most out of your Summer Holidays**

- Pursue your hobbies and interest that get neglected during school days.
- Spend some quality time with your grandparents.
- Avoid watching too much television.
- Do not waste time being lazy.
- Go for cycling, swimming, badminton or any other outdoor game that keeps you fit.
- Help your mother in the kitchen.
- Keep your environment and surroundings clean.
- Water plants and feed birds.
- Build your vocabulary through crosswords, jumbled words etc.
- Solve riddles and puzzles.
- Read story books and visit places.
- Develop a good personality by sharing and caring.

**Bring nature to your doorstep by keeping birds fed with a homemade bird feeder.**

**Things you need:**

1 milk or juice carton, rope, cord, ribbon/wire, acrylic paint, paint brushes, decorations recycled from household materials and glue

**Steps to follow:**

- Cut a large hole in the centre of one side of the carton, starting several inches from the bottom.
- Beneath this large hole, cut a small hole to poke a stick through. This will provide a perch for dining birds.
- Cut two small holes on either side of the top of the carton to thread the rope or wire through.
- Paint and decorate your feeder.
- Fill with birdseed.
- Hang your feeder in a spot about five feet from the ground, preferably with a good view from your window.

***Keep water (near the bird feeder) in a flat earthen container for the birds to beat the heat.***

## **HOMEWORK**

Here are a few tasks for you to complete during the vacation. Do remember to complete the given tasks after reading them carefully.

### **ENGLISH**

Revise

- Unit 1: The March of the Animals,
