SPA/Cir -2025-26/1188

March 21, 2026

Respected parents /guardians/well-wishers,

Greetings of Peace!

As we have come to the end of the academic year 2025-26, I express my heartfelt thanks to you for your continuous support and cooperation throughout the year. Your encouragement and involvement have played a vital role in the overall growth and success of our students.

By God's grace, the academic year 2025-26 was filled with useful teaching learning experiences, achievements and memorable moments. Our students and the staff have worked hard in academics as well as in various co-curricular activities and the School Management is pleased with their commitment and progress.

As we approach the completion of the academic session, I would like to draw your attention to the important academic responsibilities of our students in Classes X and XII. These are the crucial years in a student's educational journey, and consistent effort and discipline are essential for achieving good results.

Throughout the year, the school has been closely monitoring the academic progress and character formation of the students through regular assessments, assignments, class participation and out-reach initiatives. We provide conducive environment to the students to excel in their board examinations.

I am hereby pleased to share with you some of the blessings that our children received in the Academic year 2024-2025 through various events and activities.

Reports of Academic excellence 2024-25: Like previous years, this year also our students brought laurels by excelling in class X and XII Board final examinations. In class X the highest percentage was 98.4% and in class XII the highest percentage was 98%.

Apart from the Board exams, our students performed extremely well in various national competitive exams. Although the school is well-known for its academic excellence, yet we provided sufficient space for our children in the field of Sports and Games. Children in return showcased their talent in the said field with outstanding achievements and accolades at various levels and categories. NCC Cadets are another feather in the cap of St. Peter's Academy. I am honoured to mention here the contribution that our ex-students are making in our society through Indian Army, Navy and Airforce, Medical, Legal, Educational, Information and Technology, Artificial Intelligence, Political, Trade & Business, United Nation's Body and many other fields.

**Co-curricular Activities:** Along with academic learning, our school places great importance on co-curricular activities that contribute to the overall development of our students. Throughout the academic year, various activities such as debates, quiz, cultural programmes, sports events, art and craft competitions and club activities were organized to encourage creativity, confidence and teamwork among the students.

These activities provide students with opportunities to discover their talents, build leadership skills and develop a healthy spirit of participation and cooperation. It has been encouraging to see our students actively taking part and showcasing their abilities with great enthusiasm.

**Out-Reach Programmes:** During the academic year, the school organized several outreach programmes to help students develop social awareness, compassion and a sense of responsibility towards the community by visiting Old Age Homes and Orphanage. These initiatives provided our students with opportunities to extend their learning beyond the classroom and contribute positively to society. The students displayed public awareness rallies, street plays besides serving community langar at Rajindra Government Hospital.

Through activities such as community visits, awareness drives, tree plantation, charity initiatives and participation in social service programmes, students learned the importance of empathy, teamwork and service to others. Such experiences play an important role in shaping responsible and caring citizens.

**Educational Tours:** The school organized educational tours for students to provide them with valuable learning experiences beyond the classroom. These tours helped students explore new places, understand different cultures and gain practical knowledge related to their studies. Visits to historical sites and places of cultural and scientific importance allowed students to connect classroom learning with real-life experiences. Such activities not only broaden their knowledge but also encourage curiosity, observation and social interaction. Our students went to Goa, Bikaner-Jaisalmer, Hopup and Jungle Land.

As we now move towards a new academic session, we look forward to even greater opportunities for learning and development. With the continued support of our parents and the commitment of our teachers, we aim to provide an enriching environment that helps every child reach his/her full potential.

As we board the flight of transition and get ready to transcend into a new dimension of progress through quality and holistic education, it is time to raise our minds and hearts to God and thank him once again for his bounties. With faith in God's providence and protection, charity in our deeds, unwavering hope and your timely support, let's begin the new academic year 2026-2027.

Thank you once again for being valued contributors in the journey of education. I wish all our students success in their examinations and a bright year ahead.

Respected Parents/ guardians, please take note of the following for the new academic session 2026-2027

1. Results declared at the end of the year will be the final in all respect. No answer sheets will be shown.
2. Final Results of the students will be given to Parents or registered guardians only. The Parent Teacher Meeting for the students of classes I to IX & XI will be on *Monday, 30 March 2026* between 7.00 a.m. and 8.45 a.m.
3. The New Academic Session will commence from *Tuesday, 7 April 2026* for the classes including Kindergarten classes. It is mandatory for all the students and the staff to be present on the first day of the new Academic Session.

### **School Timings:**

#### **Kindergarten Classes:**

Summer: From 08:30 a.m. to 12.30 p.m. (Monday to Friday) and from 08.30 a.m. to 11:30 a.m.(Saturday)

#### **Classes XI & XII:**

Summer: From 7.25 a.m. to 11.15 a.m.

Winter:From8.25 a.m. to 12.05 p.m.

- I request the parents to kindly abide by the school timings mentioned above and ensure that your ward(s) is/are punctual and regular to the school.Keeping in mind the safety and smooth running of the school, the school gates will be closed at 7:25 a.m. in summer and 8.25a.m. in winter.Only in case of unforeseen situation or emergency, the parents /registered guardians need to inform the school authority and get the necessary permission for their ward(s) coming late to the school or getting leave sanctioned.
- Parents are requested to read the rules and regulations mentioned in the school diary.Every pupil must possess a copy of the school diary which should be brought to the school every day.Apart fromlegibly entering the name and other personal data, pupil should not enter it in anything except what relates to school work.Parents are requested to follow the communication done through E-Care portal.
- As you are aware of the raising demands of the contemporary age and increasing cost of things,we have to increase the salaries of our teachers and other necessary infrastructure; hence there will be a marginal increase in fee as per the Fee Regulatory Act. We request you to kindly cooperate.
- Students should be ready with their set of books, notebooks &stationery on the first day of the school's new session and the books are covered neatly and labelled.
- For the convenience of parents, we have displayed the books list on the students' E-Care panel and the school website.It is also displayed on the school notice board. The school uniform pictures are also displayed on the school website.

***May God Bless and keep your families safe and healthy always.***

Fr. Michael Collins
