SCIENCE:-

Animal Adaptation Scrapbook

Task: Choose 5–6 animals from different habitats. Draw OR paste pictures. Write these 6 points for each:

- a) Name of the animal
- b) Where it lives – Desert, Polar region, Water, Tree, Land, Mountains
- c) Body feature for protection – Thick fur, Scales, Shell, Color
- d) Body feature for food – Sharp teeth, Long neck, Trunk, Beak type
- e) Body feature for moving – Fins, Wings, Long legs, Webbed feet
- f) One special habit – Sleeps in day, Changes color, Hibernates, etc.

Kindness Activity: Keep water out for birds/stray animals in this scorching heat. Click photo and paste it.

NOTE: All this information should be carefully noted and pasted in a scrapbook. Date each page.

II) Revise the syllabus covered so far in the class.

III) Make a habit of exercising daily.
