

St. Karen's Collegiate School Patna

NOTICE

Dear Parents/Guardians

Welcome to New Academic Session 2021-2022. We hope you all are safe and doing well.

We recognize and appreciate that we have all adapted to the enforced change and learned to move ahead confidently despite so many challenges and hurdles. This has been made possible due to your unflinching support and trust in the school. We sincerely thank you for the same.

With the new session commencing from 6th April we are sure that you would continue to extend your complete co-operation this year too. As primary stake holders we, i.e. the school and you as our respected parents need to work together to provide the high academic standards St. Karen's is known for.

Kindly note

The Academic Session for classes 1 to 8 begins from **6th April, 2021**

Timing – 8am to 12pm

As per the government COVID-19 guidelines, we will be conducting online classes for the students from 6th April, 2021 on Zoom.

Our teachers will be using our official online platform e-care Pro app to connect, collaborate and communicate with the students. Syllabus based assignments, video links and homework's will be sent regularly by the teachers. You are requested to Log in with the parent id to see the messages and assignments sent to your panels.

“Staying focused on our Goals and moving forward consistently with Hard Work and Perseverance Leads to success”

May God be our constant guide
