## Notice

Date – 16/06/2021

Dear Parents and Students

We, at St. Karen's Collegiate School, have always been striving to provide multiple opportunities to our students to showcase their talent and creativity. Moving a step ahead in this direction, we are delighted to announce the launch of our bi-monthly digital newsletter "Expressions" this year.

This newsletter will not only serve as a platform for displaying the literary and artistic skills of our students but will also highlight the forays made by the school in various celebrations and competitions. It will serve as a means of displaying the events and activities held during the months and the achievements of our students.

As we prepare for this exciting new journey, we are seeking the indulgence of our students for their contribution. Their original ideas, paintings, poems, sketches, inspirational articles or stories will find a place in the newsletter. Themes for their writings will be suggested by the teachers for every issue of the bi-monthly. Some suggested themes for the months of June and July-2021 are:

### Std. 1, 2, 3 –

- My Family

### Std. 4, 5 –
