The session 2022-23 has proved to be a very fruitful and fulfilling for St. Karen's High School as the students have done extremely well both in academics and co-curricular activities. They have touched the summit in the arena of sports as they became the overall champions in '**CBSE Cluster Meet**'.

The students of **Art Club** and **Literary Club** have also achieved many feats by winning several awards at inter-school and district level. We proudly present our Annual School Magazine '**Karenoscope**' which showcase their talent in every field. The Spring Camp - '**Meraki-2023**' and the **Annual Function** organized in our school further showcased their talent. Our students are our precious gems which we preserve with great care and groom them to '**Shine to Outshine**'.

We the management, teachers, and staff of St. Karen's High School are grateful to the Almighty for guiding us throughout this academic session 2022-23. We look forward to a continued meaningful and constructive academic engagement with your ward. Let's create a positive and productive learning phase for our young talents on this positive note.
