NOTICE

20th July 2024

Dear Parents and Students,

Greetings from St. Karen's High School

We are pleased to inform you that St. Karen's High School is organizing a **Career Counselling workshop- career compass** for our 10th grade students on 23rd July 2024 and 24th July 2024 by **iDream career**. **iDream career is not only India's leading EdTech venture but also recognised in the world's top 200 Edtech companies.**

This session aims to provide comprehensive career planning and awareness for 10th grade students. Our goal has always been to equip students with detailed knowledge about their interests and subjects, and to address any queries or concerns related to different career paths and opportunities.

To optimize the benefits, we kindly request all parents to have discussion with their wards about their preferred career path and motivate them to participate in the session.

Students' active participation and engagement in this process will greatly enhance the clarity of their career goals and it will help them to analyze and plan better and make informed choices.

Your cooperation is solicited to ensure our students' success in their future endeavours.

Thank you

Regards,

Seema Singh
